Puppy Socialization Marge Rogers, Eileen Anderson, 2021-06-23. Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos. A live internet connection is needed to view the videos. You'll see other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things. The authors tell you when that time is when that socialization window starts closing and how a little effort by an owner during that time can save heartache later. Canine body language. Puppies and dogs are talking all the time with their body language. Learn to tell when a puppy or dog is relaxed and happy a bit nervous about something or outright fearful. Myth busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can actually cause a puppy harm. The authors give you the most up to date information on puppy socialization and put some harmful myths to rest. Socializing a puppy during COVID 19. Puppies have so much to get used to people environments noises and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies even during the COVID 19 pandemic. What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.
