COMBAT OPERATIONS

Combat Operations Battletech

Philip A. Lee, Ed.

Combat Operations Battletech:

BattleTech Legends: Operation Excalibur William H. Keith, 2018-11-17 BETRAYED BY THEIR OWN KIND The mercenary code was broken by the Gray Death Legion during their desperate fighting on the planet Caledonia At least that is the ruling of the courts And the judges decide to hit below the belt Grayson Carlyle revered leader of the now outlawed mercenary band is stripped of his title and holdings and the legion is banished from Glengarry the planet they've called home for years AND ON A HUNT FOR JUSTICE All seems lost but Carlyle and his legendary troop of hardened warriors know they've been set up and they have a trump card yet to play Their dangerous scheme just might work with the help of House Steiner and enough guts and firepower to restore the name and the might Gray Death Legion to its rightful place of honor But should they fail they could lose a great deal more than their reputation

BattleTech: Embers of War Jason Schmetzer, 2016-03-01 WHAT PRICE HONOR For Ezra Payne and the Stealthy Tiger mercenaries professionalism is everything Hired to assist in the bitter bloody fighting on the planet Hall they quickly earn a decisive victory for their employer They settle in afterward for a needed period of rebuilding and a few months peace before moving on to the next contract But their respite does not last More mercenaries hired by the Allied Mercenary Command itself land on Hall They believe the Tigers employer to be in league with the Word of Blake a shadowy interstellar organization that worships technology and which has been building its own empire among the worlds around Terra The Tigers want nothing of this battle but war rages across the Inner Sphere The hard fought ceasefire cannot last even on Hall and when every faction is embittered and fueled by fervor peace has no chance at all As this insidious new conflict erupts will the Stealthy Tigers BattleMechs be enough to save them Or will the looming threat of renewed war engulf them in its fiery embrace

BattleTech: Shrapnel, Year Two Philip A. Lee, 2025-07-25 ONCE MORE UNTO THE BREACH Continuing to hoist the battle standard for BattleTech short fiction the second year of Shrapnel The Official BattleTech Magazine maintains the tradition of explosive hard hitting stories set in the war torn BattleMech dominated interstellar future of the 31st century In this collection of issues 5-8 you'll witness the fateful duel between bitter mercenary rivals Jamie Wolf and Wayne Waco learn how in famous commander Ace Darwin acquired his iconic pink Panther protect the next generation of Wolf in Exile warriors during a vicious Jade Falcon attack on Arc Royal and hunt down the murderous pirate Lady Death Trevaline on Tortuga Prime Then go beyond the story and arm yourself with technical readouts unit and planet digests playable scenarios role playing adventures weapons catalogs social commentaries and much much more This collection also includes the entire four part serial novel Vengeance Games by fan favorite BattleTech author Craig A Reed Jr Power up your reactor keep an eye on your sensors and wade back into the battle with more pulse pounding stories and powerful game features penned by BattleTech legends and the latest rising stars

BattleTech Legends: Shadows of War Thomas S. Gressman, 2018-11-23 SEEK AND DESTROY The massive invasion force of Operation Serpent has descended behind enemy lines Their mission is to

obliterate the military power of Clan Smoke Jaguar and seize the homeworld of Huntress Commanding this historic assault is General Ariana Winston of the elite Eridani Light Horse mercenary brigade After a year s voyage through deep space they have arrived OR BE DESTROYED But the battle has just begun The dangers are more far reaching than Winston ever feared And the Jaguar garrison is far more cunning than the troops of the Inner Sphere ever believed For now emerging from the shadows a new threat is bearing down on the Serpent armies The greatest danger to humanity s future is right in their midst And it is about to ignite the fires of a war to end all wars

BattleTech: Shrapnel, Issue #6 Philip A. Lee, Ed.,2021-09-13

FIGHT FOR THE FUTURE Shrapnel The Official BattleTech Magazine surges onward waging wars that will decide the fate of the BattleMech dominated future of the 31st century and beyond Follow a quest for quick cash that yields unusual Star League relics Commiserate with an aging MechWarrior convinced he is cursed with the devil s luck which is about to run out Listen to the tale of how mercenary commander Ace Darwin obtained his iconic Mech but how much of his story is true Within these pages you will visit Terra after the dawn of the ilClan era venture into the postwar period of the Aurigan Coalition and travel to the far flung worlds of the Scorpion Empire in the Deep Periphery Then you will dive into the intrigue and vice of Solaris VII in the beginning of a new four part serial novel Choose your plan of attack with technical readouts after action reports a deep dive into plasma technology a treatise on covert ops poisons and a look at Free Worlds League politics along with playable scenarios and more all loaded into your autocannon by both BattleTech veterans and new voices from the Inner Sphere Blaine Lee Pardoe Craig A Reed Jr E Clark Avery Jason Schmetzer James Bixby M W Hayden Mark Hill Daniel Isberner Alexander J Roth Ken Horner James Kirtley Wunji Lau Eric Salzman Joel Steverson Stephen Toropov

The Battletech Manual FASA Corporation,1987-09

Communication in the Age of Virtual Reality Frank Biocca,Mark R. Levy,2013-02-01 This volume addresses virtual reality VR a tantalizing communication medium whose essence challenges our most deeply held notions of what communication is or can be The editors have gathered an expert team of engineers social scientists and cultural theorists for the first extensive treatment of human communication in this exciting medium The first part introduces the reader to VR s state of the art as well as future trends In the next section leading research scientists discuss how knowledge of communication can be used to build more effective and exciting communication applications of virtual reality Looking ahead the authors explore pioneering approaches to VR narratives interpersonal communication the use of 3D sound and the building of VR entertainment complexes In the final section the authors zoom out to view the big picture the psychological social and cultural implications of virtual reality Thought provoking discussions consider important communication issues such as How will virtual reality influence perception of reality What are the legal issues defining communication in virtual reality What kind of cultural trends will this technology encourage
