Folse, 2017-03-17 The 4 Point series is designed for English language learners whose primary goal is to succeed in an academic setting Academic English learners need skills based books that focus on reading listening and speaking as well as the two primary language bases of vocabulary and grammar The ultimate goal is to help your students improve these skills and earn a 4.0 GPA The Introduction to English for Academic Purposes EAP level is designed for students in academic programs who need a more general introduction to authentic academic content The discrete skills volumes are designed for programs and courses that want to more intensively focus on key strategies and authentic academic content in one skill area Each 4 Point volume covers

Unique to this speaking text are six videos showing common student interactions. Access to the videos is free. Pedagogically focused chapters apply this information to principles for EAP curriculum design and to instructional activities and tasks adaptable in a wide range of language learning contexts. Options for assessment and the role of digital technologies are considered for each skill, and essential information on integrated skill instruction is provided. Moving from theory to practice, this teacher-friendly text is an essential resource for courses in TESOL programs, for in-service teacher training seminars, and for practicing EAP teachers who want to upgrade their teaching abilities and knowledge bases.
