Agent Zigzag Ben Macintyre, 2010-08-02 A gripping tale of loyalty love treachery espionage and the thin and shifting line between fidelity and betrayal **Zigzag** Nicholas Booth, 2011-09-01 The most remarkable double agent of World War II Eddie Chapman was witty handsome and charming Too bad he was also a con man womanizer and safe cracker To the British though he was known as ZigZag one of MI5's most valuable agents To the Abwehr German military intelligence he was known as Fritzchen Little Fritz and was believed to be one of their most valued and trusted spies For three long years Eddie played this dangerous double game daily risking life and limb to help the Allies win the war He was so charming that his German handler Baron Stefan von Gruning thought of Fritzchen as the son he never had The Germans even awarded him the Iron Cross for spying for the Reich They sent him to Britain with the mission to blow up the De Havilland aircraft factory How he and MI5 convinced the Germans that he had accomplished his mission stands as one of history's greatest acts of counterintelligence Until now Eddie Chapman's extraordinary double life has never been told thwarted by the Official Secrets Act Now all the evidence including Eddie's MI5 file has finally been released paving the way for Nicholas Booth's enthralling account of Eddie's long and extraordinary life A film of ZigZag is in the works with Tom Hanks producing and Mike Newell directing **Agent Zigzag** Ben Macintyre, 2007 The untold story of Eddie Chapman Britain's most extraordinary wartime double agent **Agent Zigzag** Ben Macintyre, 2009-08-17 If you're looking for a good spy thriller I definitely recommend this Daily Express The thrilling real life story of a double agent in the Second World War *Summary of Ben Macintyre's Agent Zigzag* Everest Media, 2022-03-23T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Eddie Chapman was a criminal but he was also a dedicated professional criminal He

was a prince of the underworld in his own estimation He was married and another woman was pregnant with his child 2 Chapman had a difficult childhood with little money and not much love He soon developed a talent for misbehaviour and a distaste of authority He joined the army but was arrested for going absent without leave and sent to prison 3 Soho in the 1930s was a den of notorious vice and spectacular fun It was a crossroads of London society where the rich and feckless met the criminal and reckless Chapman found work as a barman then as a film extra earning 3 for three days doing crowd work 4 The Jelly Gang was formed in the early 1930s and they began targeting high class furriers and pawnbrokers They stole 15 000 from the safes they broke into Chapman began spending money as fast as he could steal it and he became friendly with many famous people Agent Zigzag Ben Macintyre,2007 One December night in 1942 a Nazi parachutist landed in a Cambridgeshire field His mission to sabotage the British war effort His name was Eddie Chapman but he would shortly become MI5 s Agent Zigzag Dashing and louche courageous and unpredictable inside the traitor was a hero inside the villain a man of conscience the problem for Chapman his many lovers and his spymasters was knowing where one ended and the other began Ben Macintyre weaves together diaries letters photographs memories and top secret MI5 files to create the exhilarating account of Britain s most sensational double agent Publisher s description **The Other Side of Agent Zigzag** Edgar Wollstone, One of the Second World War s most colourful individuals was double agent Eddie Chapman Edward or Eddie Chapman was an expert safecracker and career criminal from Northern England not an Aryan super saboteur He was possibly the most daring and accomplished double agent in the world at the time unknown to everyone but the most covert agencies in the nation He was taken in by the Abwehr German military intelligence from a French prison and after arriving in Britain he switched allegiances Eddie Chapman is evidence that a superhero need not be a face masher with bulging muscles He wasn t a huge man he wasn t a murderer and he avoided conflict whenever he could He nevertheless succeeded in becoming one of the most colourful war heroes in British history by playing both the British and the Germans off one another engaging in a variety of escapades crossing a variety of redlines and generally living up to expectations for a professional spy The villain was a hero and the traitor was a man of loyalty It was difficult to determine where one character ended and the other began in Chapman This is the real life account of Agent Zigzag a spy who deceived the Nazis only out of his own sense of excitement Agent Zigzag Ben Macintyre,2011 **Nazi Intelligence Operations in Non-Occupied Territories** Christopher Vasey,2016-07-14 Drawing heavily on recently declassified sources this examination of German wartime intelligence services traces the logistical and strategic expansion of the Third Reich s foreign covert operations in World War II Beginning with the changes introduced to counteract institutional neglect the author describes attempts to penetrate both neutral and adversarial nations outside territories occupied by the Wehrmacht The Nazis created covert teams for counterintelligence and penetrating border defenses Strategies were formed for assembling saboteur divisions in North and South America while data were gathered on industrial installations to target American fascist movements of the 1930s are

discussed along with Nazi sabotage missions in the United States and intelligence penetrations and domestic collusion in Latin America
