

Anaphylaxis Management Policy

1. Purpose

This College takes its responsibility to provide a safe, secure and supportive environment for all members of its community very seriously.

Anaphylaxis is a severe, rapidly progressive allergic reaction that is potentially life threatening and, as a College, we endeavour to provide an environment where all students can safely participate in all aspects of a College education.

The most common allergens in school aged children are peanuts, eggs, tree nuts (e.g. cashews), cow's milk, fish and shellfish, wheat, soy, sesame, latex, certain insect stings and medication.

The key to prevention of anaphylaxis in schools is knowledge of those students who have been diagnosed at risk, awareness of triggers (allergens), and prevention of exposure to these triggers. Partnerships between schools and parents are important in ensuring that certain foods or items are kept away from the student while at school.

2. Scope

This policy applies to all members of the College community.

3. Aims

- The Principal will ensure the College complies with Ministerial Order 706 and the associated guidelines published and amended by the Department of Education.
- To provide, as far as practicable, a safe and supportive environment in which students at risk of anaphylaxis can participate equally in all aspects of the student's schooling.
- To raise awareness about anaphylaxis and the school's anaphylaxis management policy in the school community
- To engage with parents/carers of students at risk of anaphylaxis in assessing risks, developing risk minimisation and management strategies for the student.
- To ensure that each staff member has adequate knowledge about allergies, anaphylaxis and the College's policy and procedures in responding to an anaphylactic reaction.

4. Key Responsibilities

Position / Roles	Responsibilities
Council	<ul style="list-style-type: none">• Ensure that policies and strategies are in place to manage student welfare.
Principal	<ul style="list-style-type: none">• Approve and maintain a College Anaphylaxis Management Policy and procedure that complies with Ministerial Order 706 and the associated guidelines published and amended by the Department of Education (Vic).
Anaphylaxis Supervisors	<ul style="list-style-type: none">• Help the Principal ensure compliance with all requirements of Ministerial Order 706 and associated guidelines.
