

Customer Service Success Through Loyalty

C Cleary

Customer Service Success Through Loyalty:

Customer Service Paul R. Timm, 2007 *Customer Service Career Success in the Service Economy 4e* provides a systematic process for building service skills that all business people need. Presented in a friendly conversational manner, the book is filled with examples that demonstrate the link between service skills and career achievement. This edition emphasizes the impact of customer loyalty on business growth and discusses how to measure a company's ratio of promoters or Net Promoter Score. Throughout the book, there is an emphasis on exceeding customer expectations and translating customer loyalty into personal and corporate success. Explains why certain actions lead to better customer loyalty and provides specific ways to accomplish these behaviors. Goes well beyond canned responses to help readers apply creative solutions to ever-changing problems. A greater emphasis on loyalty and the latest techniques such as the Net Promoter Score, exceeding expectations, customer-friendly technology, etc. Examines how loyalty translates to business growth and development through recommendations, referrals, and promotions. This book is for employees and managers of customer service departments and human resource training departments.
