Since the beginning of civilization, they have served as marks of identification, spiritual protection and decoration. Now at the cusp of another millennium, tattoos and other varieties of body markings are resurfacing as a popular form of individual self expression.

Tattoos are timeless and can be unique as the bearers they adorn. They don't fade away like favorite t-shirts, or get lost or broken like school rings. They stay with you forever, until death. They become a part of you from the day you sit in the artist's chair, etching your emotions alongside the needle's sting, transforming an instant of your life into a symbol for the world to see.

Tattoos and other body markings arrived in the Caribbean with African slaves and indentured workers from China and India. They were sometimes the only permanent keepsakes of peoples snatched from their ancestral places. The Caribbean's original Amerindian inhabitants also used tattoos to mark spiritual
