Deal Breaker:

Deal Breakers Michele Avantario, Maia Dunkel, 2005-06-14 Is he Mr Right or Mr Not on Your Life For some women it s a moustache For others it s a cheating heart Whether you re playing the field or are considering a trip down the aisle you ve got to determine whether to stick it out or move on in your pursuit of true love Find out what your deal breakers are You re on your first date when you notice he s had four glasses of wine before the entr e arrives Deal breaker You ve been dating someone special and upon entering his apartment for the first time you notice a book called The Idiot s Guide to Sex Deal breaker Your long term boyfriend proposes and presents you with a stunning ring in a Tiffany s box and later you find out it s a cubic zirconium Deal breaker You meet a cute guy at a bar but the only number he ll give you is his pager Deal breaker You re looking forward to a romantic Valentine s evening with your new beau He picks you up at seven and when you get in the car he says So what s the plan Deal breaker You re engaged to a man of another religion and it s never been an issue in your relationship One evening when you re talking about having children he tells you he expects the children to be raised in his faith Deal breaker One night after a few drinks your date lets you know he once had a passionate affair with a married woman Deal breaker

Deal Breakers DR. BETHANY MARSHALL, 2012-12-11 Deciding when to work on a relationship and when to walk away is a skill that can prevent us wasting months and even years of our lives on partners that will never make us truly happy Once we have learned to identify the deal breaker in a relationship we can empower ourselves to action and then change and improve our lives Whereas books like He s Just Not That Into You explored relationship troubles in black and white Deal Breakers covers all the shades of grey that lie in between all those areas where relationships can hit an impasse Some deal breakers are easy to identify one partner wants marriage the other doesn t yet many are more subtle and difficult to pinpoint Dr Bethany Marshall is a relationships expert She has identified specific male archetypes and the traits that frustrate and infuriate their partners Here for the first time in book form is advice that can help any woman who is trying too hard to make her relationship work

Deal Breaker Harlan Coben, 2012-09-25 The debut of Myron Bolitar a hotheaded tenderhearted sports agent and one of the most fascinating and complex heroes in suspense fiction a page turning classic from Edgar Award winner and master storyteller Harlan Coben One of the most engaging heroes in mystery fiction Dennis Lehane Sports agent Myron Bolitar is poised on the edge of the big time So is Christian Steele a rookie quarterback and Myron s prized client But when Christian gets a phone call from a former girlfriend a woman who everyone including the police believes is dead the deal starts to go sour Trying to unravel the truth about a family s tragedy a woman s secret and a man s lies Myron is up against the dark side of his business where image and talent make you rich but the truth can get you killed What sets Harlan Coben above the crowd are wit and wicked nonchalance Los Angeles Times [Sexual Ethics and Problematic Consent](#) David Boonin, 2024-11-11 When it comes to sex no means no but yes doesn t always mean yes Cases where a person s yes to sex should be treated as a no are uncontroversial when they involve forms of coercion deception or

incompetence that clearly render their consent to sex invalid But between those cases where yes clearly means yes and those where yes clearly means no lie a variety of more problematic cases In this provocative and challenging book David Boonin considers what we should say about them Clear cases of coercion for example involve the threat of significant physical harm But what should we say about cases involving the threat of harms that are relatively insignificant or that involve no physical harm at all Impersonating someone's spouse to trick them into saying yes to sex is clearly very wrong but what about the more mundane kinds of lies people tell when they're trying to meet someone It's wrong to have sex with someone who says yes when they're so drunk they're about to pass out and not wrong if they say yes after having a few sips of beer What though should we say about the more difficult cases in the middle where it's genuinely unclear whether they've had too much to drink What's the most reasonable view about other forms of incompetent consent to sex like those involving young children elderly dementia patients or people born with severe and permanent cognitive impairments And what about cases of problematic sexual consent that don't involve coercion deception or incompetence at all Can a patient give valid consent to sex with their therapist Can the offer of a large amount of money in exchange for sex invalidate the sexual consent the offer elicits Boonin offers a variety of clear and at times surprising answers to these and other questions about unclear cases in an engaging discussion that should be of interest to students and scholars as well as to anyone else who is concerned with problematic sexual consent
