James Leggott, Julie Anne Taddeo

Demelza Poldark 2 Winston Graham:

Upstairs and Downstairs James Leggott, Julie Anne Taddeo, 2014-12-11 The international success of *Downton Abbey* has led to a revived interest in period dramas with older programs like *The Forsyte Saga* being rediscovered by a new generation of fans whose tastes also include grittier fare like *Ripper Street*. Though often criticized as a form of escapist conservative nostalgia, these shows can also provide a lens to examine the class and gender politics of both the past and present. In *Upstairs and Downstairs: British Costume Drama Television from The Forsyte Saga to Downton Abbey*, James Leggott and Julie Anne Taddeo provide a collection of essays that analyze key developments in the history of period dramas from the late 1960s to the present day. Contributors explore such issues as how the genre fulfills and disrupts notions of quality television, the process of adaptation, the relationship between UK and US television, and the connection between the period drama and wider developments in TV and popular culture. Additional essays examine how fans shape the content and reception of these dramas and how the genre has articulated or generated debates about gender, sexuality, and class. In addition to *Downton Abbey* and *Upstairs Downstairs*, other programs discussed in this collection include *Call the Midwife*, *Danger*, *UXB*, *Mr Selfridge*, *Parade's End*, *Piece of Cake*, and *Poldark*. Tracing the lineage of costume drama from landmark productions of the late 1960s and 1970s to some of the most talked-about productions of recent years, *Upstairs and Downstairs* will be of value to students, teachers, and researchers in the areas of film, television, Victorian studies, literature, gender studies, and British history and culture.

Highest Stakes Emery Lee, 2010-04-01 **WHAT WOULD YOU WAGER FOR LOVE** In the high stakes gentleman's world of 18th century horseracing, when the blood of the desert kings ruled the English turf, a hero returns from war to claim the girl he has loved since he first spied her riding hell for leather over the Doncaster heath. Determined to have her at any cost, he will risk everything. A story of star-crossed lovers and horseracing, **THE HIGHEST STAKES** transports the reader to 18th century England, an era infamous for corruption, arranged marriages, and high stakes gambling when racing and breeding became the obsession of the uppermost elite, and a match race might replace a duel in settling a point of honor. Through the fictional love story of Robert Devington and Charlotte Wallace, a tale of drama, danger, thwarted love, and retribution unfolds.

The Little Book Café: Emma's Story (The Little Book Café, Book 2) Georgia Hill, 2018-09-21 Escape to the seaside for a new three-part series for fans of *The Canal Boat Cafe* and *Willow Cottage*.

Representing the Eighteenth Century in Film and Television, 2000-2015 Karen Bloom Gevirtz, 2017-07-06 This book analyzes early twenty-first century film and television's fascination with representing the Anglo-American eighteenth century. Grounded in cultural studies, film studies, and adaptation theory, the book examines how these works represented the eighteenth century to assuage anxieties about values, systems, and institutions at the start of a new millennium. The first two chapters reveal how films like *Gulliver's Travels* (2010) or the remake of *Poldark* (2015) use history to establish the direct relationship between the eighteenth century and the twenty-first. The final chapters examine pairs of productions for how they address and legitimate

different aspects of contemporary ideology such as attitudes toward race and gender or the connection between technological and social progress
