Before anyone begins working in the Dubai healthcare field, they must first take and pass DHA exams. DHA practice tests can help give registrants an idea of what to expect on exam day. A healthcare professional license is mandatory to work in the healthcare sector in UAE. The eligibility to practice as a licensed healthcare professional is different based on their profession and license title. This applies to all categories ranging from Physicians, Dentists, Nurses, Midwives to Allied Healthcare. All the healthcare regulatory bodies across UAE (DoH, DHA, MoH) comply to the same Unified Healthcare Professional Qualification Requirements but issue different licenses for the region/Emirate you are planning to work. However, some terms and conditions may differ when it comes to examination/activation of the license. Pre-plan which emirate you wish to work in and apply for licensure for the same.
