Discourses And Selected Writings Penguin Classics:

Discourses and Selected Writings Epictetus, 2008-11-25 A new translation of the influential teachings of the great Stoic philosopher DESPITE BEING BORN into slavery Greco Roman philosopher Epictetus became one of the most influential thinkers of his time Discourses and Selected Writings is a transcribed collection of informal lectures given by the philosopher around AD 108 A gateway into the life and mind of a great intellectual it is also an important example of the usage of Koine or common Greek an ancestor to Standard Modern Greek

A Philosophy of Walking Frédéric Gros, 2023-07-11 This philosophical ode to finding joy in simple things explores how walking has influenced history s greatest thinkers from Henry David Thoreau and John Muir to Gandhi and Nietzsche It is only ideas gained from walking that have any worth Nietzsche In this French bestseller leading thinker and philosopher Fr d ric Gros charts the many different ways we get from A to B the pilgrimage the promenade the protest march the nature ramble and reveals what they say about us Gros draws attention to other thinkers who also saw walking as something central to their practice On his travels he ponders Thoreau s eager seclusion in Walden Woods the reason Rimbaud walked in a fury while Nerval rambled to cure his melancholy He shows us how Rousseau walked in order to think while Nietzsche wandered the mountainside to write In contrast Kant marched through his hometown every day exactly at the same hour to escape the compulsion of thought Brilliant and erudite **A Philosophy of Walking** is an entertaining and insightful manifesto for putting one foot in front of the other

This Thing Called Reason Benjamin K. Akih, 2025-05-06 This book offers a conceptual analysis of reason proposing a plausible theory to resolve persistent vagueness in the historical use of the concept The proposed theory leads to the view that reason is fundamentally subjective and dependent on non inferential matters of faith Despite the inherent subjectivity we can arrive at a consensus in reasoning exercises because we all participate in a universal minimum religion that grounds all reasoning True atheism is therefore impossible This analysis bears on debates about the relation between faith and reason as well as the relation between ethics based on reason and ethics based on sentiments The book further shows that this new and original view of religiously constrained reason ought to equally inform our thinking about applied ethics such as politics law and economics

Echoes of Antiquity Coyle Neal, 2025-02-15 Echoes of Antiquity Hellenistic Thought in a Politically Changing World invites readers to explore the philosophical schools of the Hellenistic era including the Skeptics Cynics Epicureans and Stoics while connecting ancient thought to modern challenges through the complexities of Hellenistic philosophy

Stoic Philosophy and Social Theory Will Johncock, 2020-05-28 This book puts recently re popularized ancient Stoic philosophy in discussion with modern social theory and sociology to consider the relationship between an individual and their environment Thirteen comparative pairings including Epictetus and mile Durkheim Zeno and Pierre Bourdieu and Marcus Aurelius and George Herbert Mead explore how to position individualism within our socialized existence Will Johncock believes that by integrating modern perspectives with ancient Stoic philosophies we can question how internally

separate from our social environment we ever are This tandem analysis identifies new orientations for established ideas in Stoicism and social theory about the mind being present self preservation knowledge travel climate change the body kinship gender education and emotions

Proceedings and Addresses of the American Philosophical Association American Philosophical Association, 2018-11 List of members in v 1 Penguin Classics Penguin (Firm), 2001 **Penguin Classics Complete Annotated Catalog** Penguin Books, 2003 **Comparative Mysticism** Steven T. Katz, 2013 This collection of primary texts introduces readers to the mystical literature of the world s great religious traditions Beginning with an introduction by Steven T Katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from Jewish Christian Muslim Hindu Buddhist Taoist Confucianist and Native American traditions This collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition Comparative Mysticism shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated The contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common Despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals The writings collected in Comparative Mysticism address the most fundamental and important methodological epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures This anthology will be an invaluable resource to students and scholars of mystic tradition for years to come **Books in Print**, 1994 **Separating, Losing and Excluding Children** Tom Billington, 2012-10-12 There has been an outpouring of children from schools over the last few years The reasons for their exclusion from schools include learning difficulties behavioural problems or physical disability Other reasons that are not dependent on a deficit model of the children relate to Conservative led initiatives involving school league tables greater accountability inspections etc Whatever the reasons the new government are committed to reducing the number of children who are forced out of mainstream schooling The author addresses the key issues and relates them to the main theory literature in the area He unpicks the major theories and applies them to possible ways of working with children in the classroom Four case studies are used in order to make these proposed ways of working more accessible As with other books in the series exercises readings and questions are set throughout
