

Hotel Management System Documentation

Overview

The Hotel Management System is a graphical user interface (GUI) application built using Tkinter and SQLite in Python. It allows hotel administrators to manage guest bookings, perform check-ins and check-outs, export booking details, and manage user authentication.

Features

- 1. Guest Management**
 - Add new guests with name, room number, check-in, and check-out dates.
 - Display all guests currently checked into the hotel.
 - Check out guests and remove them from the database.
- 2. Export Bookings**
 - Export all booking details to a text file for record keeping.
- 3. User Management**
 - Secure login system with username and password authentication.
 - Ability to create new user accounts for hotel administrators.

Modules

1. Main Module: `hotel_management.py`

- **Functionality:**
 - Establishes a connection to SQLite database (`hotel_management.db`).
 - Defines GUI elements using Tkinter for guest management, booking export, and user authentication.
 - Implements functions to interact with the database (add, delete guests) and handle user login/authentication.

2. Database Schema: `hotel_management.db`

- **Tables:**
 - `guests`: Stores guest information including `id`, `name`, `room_number`, `check_in_date`, and `check_out_date`.

3. User Authentication: `login_credentials.txt`

- Stores usernames and hashed passwords for user authentication purposes.

GUI Components

Dark Theme Colors

- `BG_COLOR`: Background color (`#2b2b2b`)
- `FG_COLOR`: Foreground (text) color (`#ffffff`)

Hotel Management System Documentation Introduction

In today's digital age, the availability of Hotel Management System Documentation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hotel Management System Documentation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hotel Management System Documentation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hotel Management System Documentation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hotel Management System Documentation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hotel Management System Documentation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hotel Management System Documentation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hotel Management System Documentation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hotel Management System Documentation books and manuals for download and embark on your journey of knowledge?
