Cultivating Imagination in Leadership Gillian Judson, Meaghan Dougherty, 2023 This comprehensive book provides a theoretical understanding of how imagination contributes to effective leadership as well as practical tools all educational leaders can employ to cultivate their imaginations and the imaginations of others in their communities To support these goals book chapters offer multiple perspectives on what imagination is why it is essential for educational leaders and how it can be developed Contributions by leadership scholars and school based leaders are organized around three themes exploring possibilities poetics of memory and imagination s role in social justice and equity Each section opens with a leadership story that shows how a school leader developed and used imagination to create solutions to real problems Contributors to this volume were invited to read each other s work and share their questions and thoughts This work can now be used by individuals or within formal or informal learning communities to expand deepen and apply concepts Expanding on Kieran Egan s theory of Imaginative Education this book will help current and future leaders employ imagination to make sense of and address the day to day challenges they encounter Book Features Brings together empirical

and conceptual research on imagination's varied roles in educational leadership Provides practical strategies and implementable techniques for cultivating leadership imagination Demonstrates what cognitive tools all leaders can use to deepen their understanding of issues to emotionally and imaginatively engage their school communities and to support equity diversity and inclusion Offers easy to use activities and guidelines for applying imagination to key leadership processes and practices Includes Cultivating Curiosity Conversation and Imagination sections at the end of chapters to stimulate individual reflection and collaborative discussion Contributors Laurie Anderson Sean Blenkinsop Lori Driussi Lynn Fels Mark Fettes James W Koschoreck Dan Laitsch Craig Mah Jessica Masterson Moraimo Machado Sarah Pazur Rose Pillay Tara Preston Courtney Robertson Jonathan Sclater Karen Steffensen Katie Strom Zachary D Thomas and Kara Mitchell Viesca Culture, Cognition, Narrative Vera Nünning, Ansgar Nünning, 2025-11-14 Although it is well known that narrative impacts our modes of assessing and interpreting the world as well as the creation of cultural identities and cultural communities there is little research on the way in which cognition culture and narratives intersect Cultural narratology usually focuses on the relation between culture and narrative while cognitive narratology explores the relation between cognition and narrative However the three concepts reciprocally influence each other narratives shape cognition just as cognitive frames and processes shape narratives Similarly the culture we belong to informs our cognitive processes and the way we perceive interpret and react to our environment Culture and narrative also impact each other in myriad ways Narratives are therefore at the centre of this volume and each chapter deals with narrative either as a cognitive or performative tool relating it to either cognition or culture or to both The volume also explores social practices of real world storytelling for instance in discourses on migration and the cognitive dimension of cultures that narratives provide access to The latter includes shared self concepts schemata and cultural models This interdisciplinary volume builds conceptual bridges between cultural studies cognitive theory and narrative theory *The Ways of the Leader* Bill Mowry, 2023-10-17 Leaders Are you feeling overwhelmed in this post pandemic world The one size fits all approaches no longer work You need creative strategies based on godly wisdom that bring people together and break new ground In *The Ways of the Leader* Bill Mowry unpacks four competencies for everyday leaders in churches ministries communities and businesses To generate wisdom as a leader you must become a lifelong learner who views your life and leadership as God's classroom for discovery collaborator who engages people to explore create and implement new approaches cultural detective who examines assumptions and values where you lead and live and ministry innovator who discovers solutions that are crafted to the specific needs of your community Rise up against the chaos of today as you nurture the wisdom to choose what is good what brings life and nourishes people and right what is just and fair and impact those right where you are with practical solutions **Through the Dark Forest** Carolyn Conger, 2013-12-31 It's never too late to transform your life A practical and deeply healing guide to becoming whole and finding peace during the most difficult time of life When we are confronted with the end of life we must tackle medical decisions attend to family and

legal matters and grapple with overwhelming questions such as How do I manage each day knowing that death is near What has life up until now meant What should I do with the time that remains Carolyn Conger PhD has spent thirty years working with people who are imminently facing death Drawing on her research and experience Conger shows how we can use active imagination self hypnosis energy medicine and dreamwork to begin the soul work that can both prepare us for death and enrich our lives Profound and paradigm shifting Through the Dark Forest can help us all transform our lives no matter how long we have to live
