## **Look Back In Anger:**

Look Back in Anger John Osborne, 2013-03-21 Anyone who's never watched someone die is suffering from a pretty bad case of virginity *Look Back in Anger* premiered at the Royal Court Theatre London in 1956 John Osborne didn't contribute to British theatre he set off a landmine called *Look Back in Anger* and blew most of it up Alan Sillitoe A story of youthful insecurity inflamed by lack of opportunity and the terrifying destabilizing force of love Jimmy Porter could fill an opera house with his bellowing hunger for a bigger better life and a loyal love to share it with New York Times *Look Back in Anger* presents post war youth as it really is To have done this at all would be a signal achievement to have done it in a first play is a minor miracle All the qualities are there qualities one had despaired of ever seeing on the stage the drift towards anarchy the instinctive leftishness the automatic rejection of official attitudes the surrealist sense of humour the casual promiscuity the sense of lacking a crusade worth fighting for and underlying all these the determination that no one who dies shall go unmourned I doubt if I could love anyone who did not wish to see *Look Back in Anger* It is the best young play of its decade Kenneth Tynan Observer How bracing and yes even shocking its white hot fury remains The Times This edition includes an introduction by Michael Billington and an afterword by David Hare

*Look Back in Anger* John Osborne, 1957 Jimmy Porter plays trumpet badly He browbeats his flatmate terrorizes his wife and is not above sleeping with her best friend who loathes Jimmy almost as much as he loathes himself Yet this working class Hamlet the original Angry Young Man is one of the most mesmerizing characters ever to burst onto a stage a malevolently vital volcanically articulate internal exile in the dreary dreaming Siberia of postwar England First produced in 1956 *Look Back in Anger* launched a revolution in the English theater Savagely sadly and always impolitely it compels readers and audiences to acknowledge the hidden currents of rottenness and rage in what used to be called the good life Book jacket

**The Making of Theatrical Reputations** Yael Zarhy-Levo, 2008-04-21 Today's successful plays and playwrights achieve their prominence not simply because of their intrinsic merit but because of the work of mediators who influence the whole trajectory of a playwright's or a theatre company's career Critics and academic writers are primarily considered the makers of reputations but funding organizations and various media agents as well as artistic directors producers and directors also pursue separate agendas in shaping the reputations of theatrical works In *The Making of Theatrical Reputations* Yael Zarhy-Levo demonstrates the processes through which these mediatory practices by key authority figures situate theatrical companies and playwrights within cultural and historical memory To reveal how these authorizing powers that be promote theatrical events companies and playwrights Zarhy-Levo presents four detailed case

studies that reflect various angles of the modern London theatre In the case of the English Stage Company s production of John Osborne s *Look Back in Anger* she centers on a specific event She then focuses on the trajectory of a single company the Theatre Workshop particularly through its first decade at the Theatre Royal Stratford East London Next she explores the career of the dramatist John Arden especially its first ten years in part drawing upon an interview with Arden and his wife actress and playwright Margaretta D Arcy before turning to her fourth study the playwright Harold Pinter s shifting reputation throughout the different phases of his career Zarhy Levo s accounts of these theatrical events companies and playwrights through the prism of mediation bring fresh insights to these landmark productions and their creators
