How to Beat Magnus Carlsen Cyrus Lakdawala,2020-12-04 Magnus Carlsen is arguably the strongest player of all time His dominance is such that every loss comes as a shock They remind us that even he has his weak moments In fact identifying the root causes of his losses holds valuable lessons for all players Cyrus Lakdawala s search starts with a series of Magnus wins and draws to give the reader a feel for how incredibly difficult it is to beat him The World Champion s arsenal is awesome a superlative ability to concentrate and calculate near perfect intuition probably the best endgame technique ever a wide and creative opening repertoire a willingness to unbalance the position almost anytime and last but not least his unparalleled will to win How to Beat Magnus Carlsen has a thematic structure which together with Lakdawala s uniquely accessible style makes its lessons easy to digest Sometimes even Magnus gets outplayed sometimes he over presses and goes over the cliff s edge and sometimes he fails to find the correct plan And yes even Magnus Carlsen commits straightforward blunders Lakdawala explains the how and the why This fascinating collection includes the game that put an end to the longest non losing streak in classical games in chess history It lasted more than two years and 125 games and ended when Jan Krzysztof Duda beat Magnus Carlsen at the Altibox tournament in Stavanger on October 10 2020 It s wonderful to have a World Champion who is not just incredibly strong but who is also happy to experiment and take risks That s what makes Magnus Carlsen such a fascinating chess player And that s why he is the hero of this book There is no doubt that Carlsen has examined all his losses under a microscope If he benefits from this process then so will we

Carlsen Cyrus Lakdawala,2014-11-07 Despite his relatively young age Magnus Carlsen has already secured his place in chess history as a legend of the game In a short space of time his accomplishments have been extraordinary In December 2012 he broke Garry Kasparov s record to become the highest rated chess player of all time He followed up this achievement in 2013 by defeating Vishy Anand to become World Chess Champion Carlsen s universal style positional mastery and incredible mental strength add up to make him a formidable opponent In this book former American Open Champion Cyrus Lakdawala invites you to join him in a study of his favourite Carlsen games Lakdawala examines Carlsen s skills in attack and defence exploiting imbalances accumulating advantages and endgame play and shows us how we can all improve by learning from Carlsen s masterpieces Move by Move provides an ideal platform to study chess By continually challenging the reader to answer probing questions throughout the book the Move by Move format greatly encourages the learning and practising of vital skills just as much as the traditional assimilation of knowledge Carefully selected questions and answers are designed to keep you actively involved and allow you to monitor your progress as you learn This is an excellent way to improve your chess skills and knowledge Learn from the games of a world champion Important ideas absorbed by continued practice Utilizes an ideal approach to chess study The

Magnus Method Emmanuel Neiman, 2021-11-07 What is it that makes Magnus Carlsen the strongest chess player in the world Why do Carlsen's opponents the best players around fail to see his moves coming Moves that when you replay his games look natural and self-evident Emmanuel Neiman has been studying Carlsen's games and style of play for many years His findings will surprise, delight and educate every player regardless of their level Neiman explains a key element in the World Champion's play instead of the absolute best move he often plays the move that is likely to give him the better chances Carlsen's singular ability to win positions that are equal or only very slightly favorable comes down to this he doesn't let his opponents get what they hope for while offering them the maximum amount of chances to go wrong In areas such as pawn play piece play exchanges as a positional weapon and breaking the rules *tytyinnndgames* Neiman shows that Magnus Carlsen has brought a new understanding to the game He also looks at Carlsen's key qualities that are not directly related to technique Such as his unparalleled fighting spirit and his ability to objectively evaluate any kind of position and situation Carlsen is extremely widely read and knows basically everything about chess What's more as the most versatile player in the history of the game he is totally unpredictable The Magnus Method presents a complete analysis of the skills that make the difference With lots of surprising and instructive examples and quizzes Examining Carlsen's abilities together with Emmanuel Neiman is a delightful way to get to unlock your own potential
