## **Managing Successful Programmes Manual:**

**Managing successful projects with PRINCE2** Great Britain. Office of Government Commerce,2009-06-08 This book provides a universally applicable project management method the principles processes and techniques that enable individuals and organisations successfully to deliver their projects within time cost and quality constraints This new edition has been designed to place more emphasis on the principles that underpin successful project management and to provide clear guidance on how to apply these principles to the organisational context within which projects are operating

Managing successful programmes Great Britain. Office of Government Commerce,2007-09-03 Combining rigour and flexibility MSP helps all organisations public sector and private large and small achieve successful outcomes from their programme management time and time again With change a pressing reality for all organisations successful programme management has never been more vital to success Organisations must respond as new processes or services are introduced supplier relationships alter and structures adapt to market forces or legislation At the same time all organisations strive to achieve excellence by improving practices offering better services preparing more effectively for the future and encouraging innovation But change always creates new challenges and risks Inevitably there will be interdependencies to manage and conflicting priorities to resolve as the organisation adapts not just to a new situation internally but to the constantly shifting world outside To enable organisations to manage their programmes successfully they need a structured framework that does two things It must acknowledge that every programme exists in its own context and demands unique interpretation At the same time it must be universally applicable MSP has been developed with these two priorities in mind Its framework allows users to consistently manage a huge variety of programmes so that they deliver quality outcomes and lasting benefits Fusing leadership with management best practice MSP enables organisations to coordinate their key functions develop a clear sense of unity and purpose and achieve the strategic cohesion necessary to drive through effective change **Directing**

**successful projects with PRINCE2** ,2009-06-16 This title has been designed to be a role specific handbook for senior managers and project board members which describes how to oversee projects being managed using PRINCE2 The guide sets PRINCE2 in the wider context of project management but still non specific for industry sector and describes or cross references techniques which support the PRINCE2 method The title contains chapters on the duties and behaviour of the Project Board the Project Board s activities covering starting up a project authorising initiation authorising a project authorising a stage giving ad hoc direction authorising closure reviewing benefits tailoring PRINCE2 Directing Successful Projects with PRINCE2 forms part of a pair of publications that are the result of the PRINCE2 2009 Project to update the PRINCE2 guidance Its companion is Managing Successful Projects with PRINCE2 ISBN 9780113310593 Project
