The Practice of Public Relations Fraser P. Seitel, 2007

PR AS PERSONS IN RELATION Dr. Joseph Parackal, 2016-12-05

Many scholars and practitioners opine that public relations are all about building and maintaining an organization s relationship with its public As human relationships depend on personal interactions so it naturally necessitates ethical as well as anthropological aspects In fact a vast majority of the scholars have already portrayed the ethical responsibility of the organization and the practitioner while dealing with various people But a few of them have pointed out that public relation is needed to view anthropological perspectives which in turn will be significant and virtuous for human beings Accordingly practical functional approach is the foremost requirement to overcome in dealing with the public relationships Therefore while exploring the public relations literature we have tried to integrate these three aspects relational ethical and anthropological and propose a reasonable ethical framework for the professional practice of public relations based on the dignity of the person
