The Rising Sun John Toland:

The Rising Sun John Toland,2003-05-27 The Rising Sun is quite possibly the most readable yet informative account of the Pacific war Chicago Sun Times This Pulitzer Prize winning history of World War II chronicles the dramatic rise and fall of the Japanese empire from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki Told from the Japanese perspective The Rising Sun is in the author s words a factual saga of people caught up in the flood of the most overwhelming war of mankind told as it happened muddled ennobling disgraceful frustrating full of paradox In weaving together the historical facts and human drama leading up to and culminating in the war in the Pacific Toland crafts a riveting and unbiased narrative history In his Foreword Toland says that if we are to draw any conclusion from The Rising Sun it is that there are no simple lessons in history that it is human nature that repeats itself not history Unbelievably rich readable and exciting The best parts of Toland s book are not the battle scenes but the intimate view he gives of the highest reaches of Tokyo politics Newsweek

Rising Sun John Toland,2011-08-01 This magnificent Pulitzer Prize winning history told primarily from the Japanese viewpoint traces the dramatic fortunes of the Empire of the Sun from the invasion of Manchuria to the dropping of the atomic bombs demolishing many myths surrounding this catastrophic conflict Why did the dawn attack on Pearl Harbor occur Was it inevitable Was the Emperor a puppet or a warmonger And finally what inspired the barbaric actions of those who fought and who speak here of the unspeakable murder cannibalism and desertion Unbelievably rich Readable and exciting Newsweek The most readable yet informative account of the Pacific War Chicago Sunday Times

The Rising Sun John Toland,2011-10-04 A chronicle of the World War II rise and fall of the Japanese empire from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki from the Japanese perspective

Atomic Salvation Tom Lewis,2020-07-20 A thought provoking analysis of the bombing of Hiroshima and Nagasaki and what might have happened if conventional weapons were used instead It has always been a difficult concept to stomach that the atomic bombs dropped on Hiroshima and Nagasaki in 1945 causing such horrific suffering and destruction also brought about peace Attitudes toward the event have changed through the years from grateful relief that World War II was ended to widespread condemnation of the United States Atomic Salvation investigates the full situation examining documents from both Japanese and Allied sources but also using in depth analysis to extend beyond the mere recounting of statistics It charts the full extent of the possible casualties on both sides had a conventional assault akin to D Day gone ahead against Japan The work is not concerned solely with the military necessity to use the bombs it also investigates why that necessity has been increasingly challenged over the successive decades Controversially the book demonstrates that Japan would have suffered far greater casualties likely around 28 million if the nation had been attacked in the manner by which Germany was defeated by amphibious assault artillery and air attacks preceding infantry insertion and finally by subduing the last of the defenders of the enemy capital It also investigates the enormous political pressure placed on America as a result of their military

situation The Truman administration had little choice but to use the new weapon given the more than a million deaths that Allied forces would undoubtedly have suffered through conventional assault By charting reaction to the bombings over time Atomic Salvation shows that there has been relentless pressure on the world to condemn what at the time was seen as the best and only military solution to end the conflict Never has such an exhaustive analysis been made of the necessity behind bringing World War II to a halt

Last Stand on Bataan Christopher L. Kolakowski,2016-03-14 In the opening days of World War II a joint U S Filipino army fought desperately to defend Manila Bay and the Philippines against a Japanese invasion Much of the five month campaign was waged on the Bataan Peninsula and Corregidor Island Despite dwindling supplies and dim prospects for support the garrison held out as long as possible and significantly delayed the Japanese timetable for conquest in the Pacific In the end the Japanese forced the largest capitulation in U S military history The defenders were hailed as heroes and the legacy of their determined resistance marks the Philippines today Drawing on accounts from American and Filipino participants and archival sources this book chronicles these critical months of the Pacific War from the first air strikes to the fall of Bataan and Corregidor

Hellships Down Michael Sturma,2021-03-18 On 12 September 1944 a wolfpack of U S submarines attacked the Japanese convoy HI 72 in the South China Sea Among the ships sunk were two carrying Allied prisoners of war Men who had already endured the trials of Japanese captivity faced a renewed struggle for survival at sea This book tells the broader story of the HI 72 convoy through the stories of two survivors Arthur Bancroft who was rescued by an American submarine and Charles Rowley Richards who was rescued by the Japanese The story of these men represents the thousands of Allied POWs who suffered not only the atrocious conditions of these Japanese hellships but also the terror of friendly fire from their own side s submarines For the first time the personal political and legal aftermath of these men s experiences is fully detailed At its heart this is a story of survival Charting the survivors fates from rescue to their attempts at retribution this book reveals the trauma that continued long after the war was over

1942 Winston Groom,2007-12-01 America s first year in World War II chronicled in this page turner by the Pulitzer Prize nominated author of Forrest Gump and The Generals Publishers Weekly On December 7 1941 an unexpected attack on American territory pulled an unprepared country into a terrifying new brand of warfare To the generation of Americans who lived through it the Second World War was the defining event of the twentieth century and the defining moments of that war were played out in the year 1942 This account covers the Allies relentless defeats as the Axis overran most of Europe North Africa and the Far East But by midyear the tide began to turn The United States finally went on the offensive in the Pacific In the West the British defeated Rommel s panzer divisions at El Alamein while the US Army began to push the Germans out of North Africa By the year s end the smell of victory was in the air 1942 told with Winston Groom s accomplished storyteller s eye allows us into the admirals strategy rooms onto the battlefronts and into the heart of a nation at war When not drawing in readers with the narrative Groom is impressing them with his masterful analyses The Atlanta Journal Constitution Groom

has done an artful job of blending the many stories of 1942 The Anniston Star **Eagle Against the Sun** Ronald H. Spector,2020-11-03 The best book by far on the Pacific War The New York Times Book Review this classic one volume history of World War II in the Pacific draws on declassified intelligence files British American and Japanese archival material and military memoirs to provide a stunning and complete history of the conflict This superbly readable insightful gripping Washington Post Book World contribution to WWII history combines impeccable research with electrifying detail and offers provocative interpretations of this brutal forty four month struggle Author and historian Ronald H Spector reassesses US and Japanese strategy and shows that the dual advance across the Pacific by MacArthur and Nimitz was more a pragmatic solution to bureaucratic doctrinal and public relations problems facing the Army and Navy than a strategic calculation He also argues that Japan made its fatal error not in the Midway campaign but in abandoning its offensive strategy after that defeat and allowing itself to be drawn into a war of attrition Spector skillfully takes us from top secret strategy meetings in Washington London and Tokyo to distant beaches and remote Asian jungles with battle weary GIs He reveals that the US had secret plans to wage unrestricted submarine warfare against Japan months before Pearl Harbor and shows that MacArthur and his commanders ignored important intercepts of Japanese messages that would have saved thousands of lives in Papua and Leyte Throughout Spector contends that American decisions in the Pacific War were shaped more often by the struggles between the British and the Americans and between the Army and the Navy than by strategic considerations Spector vividly recreates the major battles little known campaigns and unfamiliar events leading up to the deadliest air raid ever adding a new dimension to our understanding of the American war in the Pacific and the people and forces that determined its outcome **Military Tribunals and Presidential Power** Louis Fisher,2005 Offers coverage of wartime extra legal courts Focusing on those periods when the Constitution and civil liberties have been most severely tested by threats to national security Fisher critiques tribunals called during the presidencies of Washington Madison Jackson Lincoln Andrew Johnson Wilson Franklin Roosevelt and Truman **The Rising Sun** John Toland,1970 Comprehensive account of the military and political events that led to Pearl Harbor the war in the Pacific and Japan s defeat based on interviews with participants and told from a Japanese point of view **The New York Times Book Review** ,1974 **The American Experience** Laurence Behrens,Annabel Nelson,1992 *Japan's Imperial Army* Edward J. Drea,2009 The first comprehensive English language history of the Japanese imperial army based largely on Japanese language sources Traces the origins evolution and impact of the army as an engine of Japan s regional and global ambitions and as a catalyst for the militarization of its homeland **The Publishers Weekly** ,1972 *Modern Japan* Don Nardo,1995 Discusses the history and people of Japan from the late 19th century to the 1990s **City Record** Boston (Mass.),1913 *Commonweal* ,1971 **Michigan Academician** ,1986 **Proceedings - United States Naval Institute** United States Naval Institute,1974 **New York** ,1970

The Rising Sun John Toland Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Rising Sun John Toland free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Rising Sun John Toland free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated

platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Rising Sun John Toland free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Rising Sun John Toland. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Rising Sun John Toland any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Rising Sun John Toland Books

1. Where can I buy The Rising Sun John Toland books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
