"The Cat"

Why? Everybody seems to be making a cat.
You? You? All of you?
How dare you to make a cat?
Why? Is it because I'm a cat girl?
A cat girl? I see. It's good for making one up. A prettier child?
That's what you call me?
I wonder. I think. I wonder if my young master up
The Ladies, will I could ever ask if I have one.
Yes. I'm a cat girl. You when are my parents?
You? You? You are my good parents?
My good older brother and sister in the country about I live?
Look... look at me... What have you done to me?
You have purrped and spoiled me, spoiled me when I needed you
most!
Educated me in a papa, when intelligence has made from the world?
While you go about your parties, your meetings and partying around...
This... I didn't even know you!
Longing for a father's love, wanting for a mother's care!
As I grow up, everything changed?
How can love change?
The great excitement in your palace, magnificence, love and right skills,
You even looked on the headlines of the newspaper as events, problems and
solutions.
Now, you call me a cat. You're not of everything I do in regard?
Tell me! How good are you?
If you really wish to know my fate...
That's funny... -Awful, how funny! When I meet you, because I need you...
Protect me from all evil influences that will threaten at my very best
understanding...
But it's so bad, really bad... -Now, you're got to help me!
Help me! Oh please... -Help me!
