Dictionary of Deities and Demons in the Bible (DDD) Karel van der Toorn,1998 72 Demons of the Name Baal Kadmon,2015-08-16 In the second volume of the Sacred names series THE 72 ANGELS OF THE NAME CALLING ON THE 72 ANGELS OF GOD I discuss the 72 angels of God that correspond to the 72 Names of God In this book we will discuss the 72 demons of the name Yes there are 72 demons that are the shadow images of the 72 angels of the name In this text we will discuss the 72 demons that correspond to the 72 names of God Each demon has its purpose Working with the demons differs in intensity They are more how shall we say assertive Whereas the angels appear in gentler forms with a few exceptions of course In this book we will discuss how to communicate with these demon The rituals are similar to the ones we used for the 72 angels However there are a few differences For one we will do a quick protection ritual before we call on them and upon banishing them we will give them an offering It s this extra step that might make some a bit nervous No worries we will not be hurting anything but we will offer something that had potential life in it This step is crucial for your ritual to work Let Us Proceed

Demonology Riley Star,2015-02-16 Whether you believe that demons in the service of Satan are actively plotting to subvert God s kingdom or you see such evil entities as metaphors for the struggle that is the human condition this book will speak to you Although cast in the language of Western Christian thought the text looks to universal themes of good and evil and how they may be magnified or distorted in the filter of religion The author does not however take issue with the fact that evil does exist in the world Little more is needed than a visit to your favorite news site or a perusal of the front page of a newspaper to know that horrific and inexplicable things happen every day The personification of evil in the form of a Devil and his minions evolved over time in the Jewish spiritual tradition and then in the new Christianity Satan was once seen as a member of God s council and His ally in testing the faith of men a role clear in the story of Job As the perception of Satan changed however due in large part to the story of the War in Heaven told in the Book of Revelation the forces of evil were cast down to the earth Here until the Day of Judgment they are

according to scripture free to try to subvert man's relationship with God This book seeks to sift popular fictional demonology from a canonical consideration of evil A kind of popular man on the street common knowledge has evolved thanks to fiction television and film that leave the impression of a world forever locked in a cosmic struggle Is this accurate or are the faithful more secure than they realize from the machinations of the devil and demons Through an exploration of these ideas plus accounts of famous demon possessions the author grapples with these questions and more An excellent introduction to demonology that acknowledges and respects the religious perspective without being religious per se this is a fresh take on a centuries old debate Demonology from a theological perspective demonic possession information on many of the demons recognized in Christianity and much more all covered
