**I Got You** Rob Hill,2013-09 This book isn't about playing a game to get what you want It's about you looking at yourself and finding ways to learn how to grow as an individual I cannot tell you every single step you should take to get you to where you are trying to go in life But what I can do is make sure you have enough confidence to trust your own judgments regardless of past mistakes I want you to understand that it's okay to be exactly where you are right now whether you are single or in a relationship Appreciate where your journey is taking you but be able to identify areas that need to change I want you to read this book and have a better understanding of the present I want you to know that trying to get it right is a constant process We never arrive at a place of knowing it all For as long as we are alive we are challenged to grow learn evolve and mature Love is a decision not a destination It's not something you stumble upon You must choose to walk in it give to it and become it Each of us travels a different path to find the love we are searching for Some find what they are looking for instantly while others must jump over a few hurdles before realizing they have finally found something special In essence we are all just working towards what we believe we deserve our fair chance at love and happiness
