## **Identity Milan Kundera:**

**Identity** Milan Kundera, 1998 Sometimes perhaps only for an instant we fail to recognise a companion for a moment their identity ceases to exist and thus we come to doubt our own The effect is at its most acute in a couple where our existence is given meaning by our perception of a lover and theirs of us With his astonishing skill at building on and out from the significant moment Kundera has placed such a situation and the resulting wave of panic at the core of the novel In a narrative as intense as it is brief a moment of confusion sets in motion a complex chain of events which forces the reader to cross and recross the divide between fantasy and reality Profound sad and disquieting but above all a love story **Identity** provides further proof of Kundera's astonishing gifts as a novelist

**Identity** Milan Kundera, 1998-04-21 Milan Kundera's **Identity** translated from the French by Linda Asher There are situations in which we fail for a moment to recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own That also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With stunning artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude Of all contemporary writers only Kundera can transform such a hidden and disconcerting perception into the material for a novel one of his finest most painful and most enlightening Which surprisingly turns out to be a love story **IDENTITY SIGND**

Pynsent, 1994 *Questions of Identity* treats four varieties of conceptions of individual and social identity This interdisciplinary book describes and analyzes four trends of thought that have prevailed at one time in most of Europe over the last two centuries the idea of the responsible citizen the concept of patriotism or nationalism the loss of self and suffering as a formative element in the national character In a section devoted to V clav Havel Pynsent treats Havel s notion of personal identity as expressed in personal responsibility Another section concerning national identity looks in particular at two early nineteenth century Slovaks who rejected Slovak nationalism and whose ideas ultimately had a profound impact on East European thinking on nationality up to the fall of communism A third section deals with the beginnings of Modernism and the apparent disintegration of the self in West

**The Negotiation of Personal Identity** Meena Dhanda,2008 In this book Meena Dhanda presents an account of personal identity as a complex of which moral identity and practical identity are the two most important elements moral identity as one s sense of identity as a person as such and practical identity as one or more of the structured ways in which one expresses one s moral identity Taking as her main example the situation of India s Dalits Dhanda argues that overall personal identity is to be understood as the outcome of an on going process of negotiation above all between these two elements Given the centrality of the roles played by different and often over lapping conceptions of what constitutes identity not only in the world of theoretical debate but also in that of political and personal practice Dhanda s arguments in favour of seeing these matters in terms of negotiation rather than in those of simple and mutually un comprehending conflict will be of very great interest to all concerned with the many problems of personal and inter communal experience to day Alan Montefiore Emeritus Fellow of Balliol College Oxford
