Karanga Indigenous Religion in Zimbabwe Tabona Shoko, 2016-04-22 Tabona Shoko contends that religion and healing are intricately intertwined in African religions This book on the religion of the Karanga people of Zimbabwe sheds light on important methodological issues relevant to research in the study of African religions Analysing the traditional Karanga views of the causes of illness and disease mechanisms of diagnosis at their disposal and the methods they use to restore health Shoko discusses the views of a specific African Independent Church of the Apostolic tradition The conclusion Shoko reaches about the central religious concerns of the Karanga people is derived from detailed field research consisting of interviews and participant observation This book testifies that the centrality of health and well being is not only confined to traditional religion but reflects its adaptive potential in new religious systems manifest in the phenomenon of Independent Churches Rather than succumbing to the folly of static generalizations Tabona Shoko offers important insights into a particular society upon which theories can be reassessed adding new dimensions to modern features of the religious scene in Africa Studia Missionalia Upsaliensia ,1973 Spirit and Truth Tord Harlin,1973 Uppsala universitets Årsskrift ,1960 **Heritage of Zimbabwe** ,1986 Christianity South of the Zambezi Anthony J. Dachs,1977 **List of Publications Deposited in the Library of the National Archives** ,1971 **Rhodesia National Bibliography** ,1971 Host Bibliographic Record for Boundwith Item Barcode 30112117749272 ,2013 **The Distinctive Characteristics of the Lutheran Church** George Luecke,1920 The Lutheran Manual Junius Benjamin Remensnyder,1916 Being Lutheran Today Carsten J. Ludder,Dr. Derald H. Edwards,2018-06-30 Being Lutheran Today A Laypersons Guide to Our History Belief and Practice will help the reader understand what Lutherans believe about the basics of the Christian faith In easy to read language you are given a historical perspective of the core beliefs of those who count themselves as Lutherans The book sets forth the tenets of Lutheran doctrine what Lutherans generally believe in practice how to read the Bible what the sacraments of baptism and Holy Communion are about for Lutherans the basics of Lutheran worship and the faith of the church expressed in the Apostles Creed The Lutheran Manual on Scriptural Principles Samuel Simon Schmucker,General Synod of the Evangelical Lutheran Church in the United States,1855 **The Way of Salvation in the Lutheran Church** George Henry Gerberding,1919 A Lutheran Toolkit Ken Sundet Jones,2021-02-09 The Lutheran in the title doesn't mean The Lutheran Toolkit is just for Lutherans It's about a Lutheran witness for the whole church and for all sinners with ears to hear It's a slender book about the big theological ideas the evangelical reformers of the 16th century used as a lens for understanding God's work in Christ Starting with Piliip Melanchthon's 1530 Augsburg Confession which was drafted to defend the preaching and teaching of Luther and his colleagues Ken Sundet Jones sees its primary themes as a set of tools that God uses to build faith in us He takes the reader beyond scholarly analysis and historical explanations and uses his own experience as a college professor parish pastor and sinner looking for mercy to discover God's handiwork in our lives Each

chapter takes as its starting point one of the foundational ideas presented to the Holy Roman Emperor and representatives of the church including Sin God hidden and revealed justification ministry the Christian life the church sacraments and vocation These are not simply theological categories for scholars to debate or historians to recount They re the lived experience of the faithful from the first believers to big thinkers like Augustine and Luther to people in the pews at the supper table in their careers and at their deathbeds throughout the ages The tools in this kit continually point to Jesus as the one who promises mercy and abundant life and who has the power to deliver them This is a word for those who ve not yet heard it and for those who desperately need to hear it again Book of Harmony Martin J. Lohrmann,2016-09-07 The Reformation era writings that make up the Lutheran Confessions remain lively resources for Christian ministry and mission today Because each of the documents within the Book of Concord was written with a specific context and rhetorical purpose in mind each has its own compelling story and objectives Luther s catechisms present the faith for daily life at the grass roots level with teaching elements that we might now view as typical of social media and multimedia The Augsburg Confession and its Apology provide an adaptable foundation for preaching teaching church organization and dialogue that is rooted in the promise of Christ received through faith Fifteen years after the Diet of Worms the Smalcald Articles reveal yet another Here I stand moment for Luther Finally the Formula of Concord shows how the next generations of Lutherans used collaboration and consensus as they wrestled with important themes of faith and life In summary as these texts engage us with their stories they invite us to consider what is most important about our journeys of faith and Christian witness in today s twenty first century contexts
