## **Malabar Manual By William Logan:**

**William Logan's Malabar Manual** ,2000     A Commentary on the Malabar Manual Written by William Logan VOL 1 V.  
E. D. from VICTORIA INSTITUTIONS,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent First of all I would like to place on record what my interest in this book is I do not have any great interest in the minor details of Malabar or Travancore Nor about the various castes and their aspirations claims and counterclaims My interest is basically connected to my interest in the English colonial rule in the South Asian Subcontinent and elsewhere I would quite categorically mention that it is English colonialism and not British Colonialism which has a slight connection to Irish Gaelic and Welsh Celtic language populations Even though I am not sure about this I think the book Malabar was made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency Logan has claimed the authorship of this book There are locations where other persons are attributed as the authors of those specific locations Also there is this statement The tidy fact is that the whole book has been tampered with or doctored by many others who were the natives of this subcontinent Their mood and mental inclinations are found in various locations of the book The only exception might be the location where Logan himself has dealt with the history writing More or less connected to the part where the written records from the English Factory at Tellicherry are dealt with His claim asserted or hinted at of being the author of the text wherein he is mentioned as the author is in many parts possibly a lie The book Malabar ostensibly written by William Logan does not seem to have been written by him It is true that there is a very specific location where it is evident that it is Logan who has written the text However in the vast locations of the textual matter there are locations where it can be felt that he is not the author at all     **MALABAR MANUAL by William Logan** , Commentary William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my

Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent [A Commentary on the Malabar Manual Written by William Logan Vol 2](#) V. E. D. from VICTORIA INSTITUTIONS,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent William Logan has claimed the authorship of this book There are locations where other persons are attributed as the authors of those specific locations The tidy fact is that the whole book has been tampered with or doctored by many others who were the natives of this subcontinent Their mood and mental inclinations are found in various locations of the book The only exception might be the location where Logan himself has dealt with the history writing More or less connected to the part where the written records from the English Factory at Tellicherry are dealt with His claim asserted or hinted at of being the author of the text wherein he is mentioned as the author is in many parts possibly a lie The book Malabar ostensibly written by William Logan does not seem to have been written by him It is true that there is a very specific location where it is evident that it is Logan who has written the text However in the vast locations of the textual matter there are locations where it can be felt that he is not the author at all There are many other issues with this book [MALABAR by WILLIAM LOGAN - VOL 2 \(in 4 Volumes\) - with Annotations by VED from VICTORIA INSTITUTIONS](#) William LOGAN,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This is Volume no 2 of these four volumes It is Chapter no 3 of the original book The Chapter heading is History The various subheadings inside this chapter are thus CHAPTER 3 HISTORYSection a Traditionary ancient history Section b Early history from other sourcesSection c 825 to 1498 A DSection d The Portuguese period A D 1498 1663Section e The Dutch English and French settlementsSection f The Mysorean conquest A D 1766 1792Section g The British supremacy 1792 to dateA number of extra images have been added in this new edition of the book Some of the mentionable items that can be found this Volume are the Pazhassiraja insurgency Mappilla outrages commencing from 1832 onwards which ultimately culminated in the so called Mappilla Lahala and the

historical events that led to the English East India Company setting up a sensible administration in a geopolitical area which had experienced continual internecine violence right from times immemorial This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given MALABAR VOL 1 (in Four Volumes) - (with Annotations by VED from VICTORIA INSTITUTIONS) William LOGAN,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency The time period of his work in the district is given in this book as 6th June 1875 to 20th March 1876 around 9 months as Ag Collector From 9th May 1878 to 21st April 1879 around 11 months as Collector From 23rd November 1880 to 3rd February 1881 around 2 months as Collector Then from 23rd January 1883 to 17th April 1883 around 3 months as Collector After all this he is again posted as the Collector from 22nd November 1884 From this book not much personal information about William Logan Esq can be found out or arrived at Two Chapters are there in this specific Volume Volume 1 They are listed below The District a Its Limits and Physical Features b Mountains c Rivers Backwaters and Canals d Geological Formation e Climate and Natural Phenomena f Fauna and Flora g Passes Roads and Railway h Ports and Shipping Facilities CHAPTER II The People a Numbers Density of Population Civil Condition Sex and Age b Towns Villages Dwellings and Rural Organization c The Language Literature and State of Education d Caste and Occupations e Manners Customs etc f Religion Hindus Muhammadans Christians g Famine Diseases Medicine A number of extra images have been added in this new edition of the book Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given

**William Logan's Malabar Manual**, 2000

**Musaliar King** Abbas Panakkal, 2024-09-10 This book delves into decolonial saga of Malabar through the eyes of a native chronicler and uncover the hidden truth behind the Musaliar King the media moulded monarch by colonial misnomers This richly woven narrative illuminates inter community alliances amidst turmoil and exposes calculated colonial stratagems that obscured sacrifices made by natives The narrative serves as a corrective lens shedding light on the valiant deeds often overshadowed by colonial narratives Readers are taken on a transformative journey where historical understanding is reshaped and the vernacular valour embedded in the history of Malabar comes to the forefront Navigate the contours of a contentious issue surrounding a photograph as the author masterfully challenges its authenticity This eloquent journey transcends the mere exploration of historical facts it is a symphony of identity sacrifice and community resilience A literary gem for aficionados of history this monograph invites readers to savour the beauty of Malabar s tumultuous past promising a profound understanding of the events that have shaped its captivating history This book debunks controversial narratives and confronts the misidentified reshaping historical understanding and revealing the spirit within Malabar s untold stories of solidarity and sacrifice

Mappila Muslims Husain Raṅṅattāṇi, 2007

**TRAVANCORE STATE MANUAL by V Nagam Aiya** VED from VICTORIA INSTITUTIONS, TRAVANCORE STATE MANUAL was written in the closing years of the 1800s It is a fascinating book in that the perspective of historical events that took place in the region known as the Indian Peninsula is

markedly different from what is being taught in current day schools and colleges There is need to bring this book out in a very readable form That is what has been attempted here VED from VICTORIA INSTITUTIONS has written a commentary which aims to elucidate the various differences in perspective and also tries to focus on varying issues which are nowadays hidden away from public knowledge What ultimately comes out as background of unvarying strength is the fact that the English rule especially that by the English EAST INDIA COMPANY was really of benign qualities towards the common man of this area This book contains the story of an independent kingdom at the southern most end of the South Asian Peninsula which lost its independence in 1947 in the wake of a fool coming to power in England *When social inequalities get tumbled upside down!* VED from VICTORIA INSTITUTIONS, This volume uncovers the hidden software behind centuries of social inequality in Travancore and Malabar the feudal codes embedded in local languages that automatically degrade and divide human worth in every conversation It traces how English not as empire but as a planar non hierarchical communication framework became the only proven antidote enabling genuine defiance and upliftment long before local reform movements gained prominence After 1947 when that shield withdrew the old software did not disappear it inverted migrated and reasserted dominance in new forms The book ends with a stark reflection without cutting the hierarchical rope entirely progress only swaps who holds the whip **Malabar Manual** William Logan,1879 **By Sweat and Sword** K. K. Nair,2013 Going well beyond the usual narratives on Kerala history this study discusses the unique history of a statedescribed incolonial documents as being perpetually at war but remarkably whose people have been historically happy Ever since its discovery Kerala s political climate was characterized by a variety of Chinese Arab European and local powers fighting each other for economic and military ascendancy And yet despite centuries of foreign contact and conflict it continued to thrive and retain its independence The influences Kerala absorbed were of its own choosing This book hypothesizes that this remarkable achievement was a direct consequence of Kerala s unique military diplomatic social and economic culture A society by no means perfect but fairly close causing British administrators to record that society in Kerala had arrived close to fulfilling the utilitarian dictum of the largest possible happiness of the largest numbers **If one falls into the deep chasms of language codes!** VED from VICTORIA INSTITUTIONS, *The Hidden Architect of Human Worth* Vol 7 *National Union Catalog* ,1982 Includes entries for maps and atlases **National Union Catalog, 1982** ,1983 *Indian Journal of Social Science* ,1992
