R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture **The Narrow Path to Expansive Vision** RD

Oostra,2022-12-08 You can buy The Narrow Path to Expansive Vision online at any major online bookstore or through the Westbow website We live in a country deeply divided politically and culturally and the chasm widens and deepens with each passing day As a society it seems like there is an increasing tendency to follow the wrong things and the wrong people So where do we turn to find a leadership example in an all about me world How do you live and lead a narrow path yet not narrow minded life in a wide path world and society You turn to the greatest leadership example in history Jesus Christ This may seem like an obvious answer but it is not In conducting original research for the book The Narrow Path to Expansive Vision RD Randy Oostra completed a national online survey of business leaders including those who identified as Christian leaders One question on the survey asked those who identified as Christian leaders to name their top three leaders of all time Only 13 percent mentioned Christ as one of their top three leaders In addition only 43 percent of these Christian leaders considered themselves to be servant leaders As The Narrow Path to Expansive Vision unfolds it weaves a narrative of Randy's personal journey growing up in a rigorous Dutch Reformation background to his life as a CEO of a national health and well being organization Randy tells his story of how he has lived in and navigated through the science based world of health care as well as his frustrations with a Church leadership that frankly has not always been helpful in meeting the challenges he faced as a business leader and in life in general Based on these experiences Randy offers a foundational approach to leadership inspired by the example of Christ It is a hopeful message that both believers and non believers will find meaningful and useful
