**A Short History of Anatomy from the Greeks to Harvey** Charles Singer, 1957 This work has been out of print for many years I long hoped that someone more

competent than I would cover the ground more completely This has not happened and since the demand for the book has continued it is here revised with a number of minor adjustments I would express the hope that this new edition may rouse sufficient practical interest in the subject to induce someone to undertake a more comprehensive work The literature in English is now more copious than it was when the first edition was published over thirty years ago Works by some of the leading figures in the history of anatomy Vesalius Galen Coiter Mondino Leonardo are now available in English translation and I am in hope that this new edition may turn my readers attention at least to these Charles Singer Kilmarth Par Cornwall
