[Principles of Internet Marketing](#) Ward A. Hanson, 2000 This textbook shows what makes the Internet new and different the techniques that work and those which don't and how the Internet is creating value for customers and profits for companies

Database Marketing Robert C. Blattberg, Byung-Do Kim, Scott A. Neslin, 2008-01-23 Database marketing is at the crossroads of technology business strategy and customer relationship management Enabled by sophisticated information and communication systems today's organizations have the capacity to analyze customer data to inform and enhance every facet of the enterprise from branding and promotion campaigns to supply chain management to employee training to new product

development Based on decades of collective research teaching and application in the field the authors present the most comprehensive treatment to date of database marketing integrating theory and practice Presenting rigorous models methodologies and techniques including data collection field testing and predictive modeling and illustrating them through dozens of examples the authors cover the full spectrum of principles and topics related to database marketing This is an excellent in depth overview of both well known and very recent topics in customer management models It is an absolute must for marketers who want to enrich their knowledge on customer analytics Peter C Verhoef Professor of Marketing Faculty of Economics and Business University of Groningen A marvelous combination of relevance and sophisticated yet understandable analytical material It should be a standard reference in the area for many years Don Lehmann George E Warren Professor of Business Columbia Business School The title tells a lot about the book s approach though the cover reads database the content is mostly about customers and that s where the real world action is Most enjoyable is the comprehensive story in case after case which clearly explains what the analysis and concepts really mean This is an essential read for those interested in database marketing customer relationship management and customer optimization Richard Hochhauser President and CEO Harte Hanks Inc In this tour de force of careful scholarship the authors canvass the ever expanding literature on database marketing This book will become an invaluable reference or text for anyone practicing researching teaching or studying the subject Edward C Malthouse Theodore R and Annie Laurie Sills Associate Professor of Integrated Marketing Communications Northwestern University *Direct and Database Marketing* Graeme McCorkell,1997 Through examples and case studies this book demonstrates how to adopt the methods technology and techniques pioneered in direct marketing and apply them in the broader context of integrated marketing Marketing Technology as a Service Laurie Young,Bev Burgess,2010-05-24 Despite the fact that vast engineering networks are the foundations of modern society the services that technology companies provide over them have been a relatively neglected area of study As a result marketing in some technology businesses has been depressingly tactical and inconsistent Marketers with little experience and even less professional training run around presenting PowerPoint decks to each other chasing after the latest fad and throwing erratic changing activities at the market each quarter Many work on the unchallenged assumption that markets are fast changing and that customers only want the lowest prices Yet this industry has liberated human imagination in the internet and convinced the world that they must have a PC and a mobile phone Now as a result of profound relentless global forces some of the leading firms and greatest minds in it are at last turning their attention to service With the advent of cloud computing and radical changes in the engineering of some utilities the marketing of services that are based on a technical infrastructure is about to become as important and sophisticated as in say consumer products This book explores their story and experience I really enjoyed the book From Products to Services by Mr Laurie Young Encouraged by it Haier accelerated its changeover from a traditional product driven to a more customer centric company This new book Marketing Technology as a Service is

another major contribution to technology companies for the cultivation of service needs worldwide Mr Zhang Ruimin CEO and Chairman Haier Group Beijing Young and Burgess describe a shift in mindset and pragmatic techniques that are quite doable Rae Sedel MD Global Technology Practice Russell Reynolds Associates This book provides practical and insightful advice on how to use services to turn technology into value add solutions for real people Rudy Provoost CEO Philips Lighting Business leaders in India have been remarkably successful at offering technology based services like outsourcing across the world Currently worth 60 billion they intend to reach 300 billion by 2020 To succeed the Indian business community must offer new value propositions and adapt to emerging trends like cloud computing Burgess and Young have put together the first comprehensive and practical guide for business leaders to meet their challenges of exponential growth Dr Mukesh Aghi Chairman and CEO Steria India *Opportunities in Direct Marketing Careers* Anne Basye,2000 Covering diverse professions from accounting to zookeeping this is the world s most comprehensive career book series Always growing and reflecting the times the series encompasses traditional careers as well as those in newer areas such as laser technology robotics and holistic health care Each book offers essential information for job seekers on getting started obtaining training education advancement salaries job responsibilities and more Canadian information is included wherever appropriate
