Transform Your Math Class Using Asset-Based Teaching for Grades 6-12 Michael D. Steele,Joleigh
Honey,2024-07-19 Foster a love of mathematics by creating a more inclusive and empowering learning environment through
asset based teaching An asset based perspective on math education means starting with what students already know instead
of focusing on what s missing This approach elevates student thinking and reasoning skills In this way educators
acknowledge that all students bring prior experiences strengths talents and resources to the learning process and can
contribute meaningfully in an authentic learning environment Transform Your Math Class Using Asset Based Teaching for
Grades 6 12 provides insight into asset based perspectives in mathematics education to create an environment where all
students feel valued and capable of being doers of mathematics In the book Michael Steele and Joleigh Honey highlight the
importance of using language instructional routines and systemic structure that positively impact student engagement their
math identity and ultimately their outcomes Providing a wealth of knowledge and practical strategies that can be used to
transform math classrooms into inclusive supportive and empowering learning environments this book Introduces an asset
based perspective that focuses on students strengths assets and potential to learn mathematics Includes a variety of
frameworks and tools that teachers can use to build and grow their sense of asset based perspectives Offers strategies for
promoting a growth mindset in mathematics encouraging productive struggle in math and promoting equitable math
instruction Supports teachers in reflecting on their decisions self awareness and self management Includes a companion
online study guide to support teachers individually or as part of a professional learning community Adopting asset based
perspectives is about movement over time not about flipping a switch This book paves the path for an asset based journey
that ultimately helps to transform our math classrooms and advance all students learning and development **Resources in**
