- Section 2 (20) defines company as a corporation which is incorporated in this act or in part of the company law. It can be company limited by share or guarantee.
- Goal of the company is to make sure that the shareholders, suppliers and the people associated with the company are benefited without undue sacrifice. It is a sense of social efficiency.
- Section 2(84) defines shares as a share capital in the company and it includes stock. It represents the interest of the shareholder in the company.
- Commenda is a term where there are two business partners such as managing and passive and both have their duties separated from one other and shares their profits.
- Securities of a company is mentioned in Section 2 (81) and includes stocks, shares, shares by government, mutual funds etc.
- Shares are divided into 2 parts parts:
  - 1: Equity: These are the owners of the company and earn the profits as well as losses, have the voting rights and earn dividends.
  - 2: Preference: There are the shareholders, don't have voting rights, if dividends are not paid upto 3 years than have voting rights, looks for profits in the company, they earn dividends.
- Corporations allows individual to fulfil their goals which would have not been possible if they worked individually. They provide them with resources which they would have not managed personally.
- **What is limited liability?**
- Separate legal existence allows a firm to obtain an asset which is free from other persons like the investors in the firms, it helps them to pledge the property if needed and is free to sell it.
- Members do not have any property rights in the property of the company, there interest is only limited to shares of the company.
- Perpetual succession is the continuation of the organization existence after the demise or bankruptcy or the exit from the business of the owner or any members.
- A company or a corporation does not have a right under Indian constitution according to Article 19 but Article 19 (1)(g) gives certain rights to shareholders and managers.
- Five characteristic of a modern firm are:

Transferable shares

Legal personality

Limited liability

Centralized management

Shares owned by contributors of capital.

Week-2

Section 149 (1) sets the rules for the appointment of directors in a company.

Zierler, 2017-08-15 Finalist for the 2017 National Jewish Book Award in Modern Jewish Thought and Experience presented by the Jewish Book Council Movies and Midrash uses cinema as a springboard to discuss central Jewish texts and matters of belief A number of books have drawn on films to explicate Christian theology and belief but Wendy I Zierler is the first to do so from a Jewish perspective exploring what Jewish tradition text and theology have to say about the lessons and themes arising from influential and compelling films The book uses the method of inverted midrash while classical rabbinical midrash begins with exegesis of a verse and then introduces a mashal parable as a means of further explication Zierler turns that process around beginning with the culturally familiar cinematic parable and then analyzing related Jewish texts Each chapter connects a secular film to a different central theme in classical Jewish sources or modern Jewish thought Films covered include The Truman Show truth Memento memory Crimes and Misdemeanors sin Magnolia confession and redemption The Descendants birthright Forrest Gump cleverness and simplicity and The Hunger Games creation of humanity in God's image among others

**Social Economy in China and the World** Ngai Pun, Ben Hok-bun Ku, Hairong Yan, Anita Koo, 2015-08-20 Thirty years of economic transformation has turned China into one of the major players in the global capitalist economy However its economic growth has generated rising problems in inequality alienation and sustainability with the agrarian crises of the 1990s giving rise to real social outcry to the extent that they became the object of central government policy reformulations Contributing to a paradigm shift in the theory and practices of economic development this book examines the concept of social economy in China and around the world It offers to rethink space economy and community in a trans border context which moves us beyond both planned and market economies The chapters address theoretical issues critical reflections and

case studies on the practice of social economy in the context of globalization and its attempt to create an alternative modernity Through this the book builds a platform for further cross disciplinary and cross boundary dialogue on the future of social economy in China and the world With examples from Asia North America Latin America and Europe this book will not only appeal to students and scholars of Chinese and Asian social policy and development but also those of social economy from an international perspective

*The Review of Reviews* William Thomas Stead,1892 Newspaper-Real Estate Schemes of the 1920s Margaret B. Barker,2021-02-02 In the 1920s newspapers and real estate developers colluded in a scheme to sell tiny vacation lots to subscribers A zealous advertising campaign spawned a land buying frenzy that sprouted dozens of waterfront summer colonies across the country The resulting legal social and environmental mayhem caused some of these communities to disappear or be drastically altered in character while others managed to survive more or less intact Drawing on newspaper accounts of the day this book explores how the scheme eluded accusations of fraud creating an assembly line for middle class resorts through a lucrative merger of real estate and journalism Pell Lake Wisconsin serves as a case study that yields the best evidence for determining if it was all a scam Told here for the first time the story of this unusual alliance and the communities it created offers lessons for today s entrepreneurs journalists advertisers real estate developers environmentalists and anyone who has ever lived in a resort community
