

A close-up photograph showing a person's hands working on a copper pipe. The person is wearing brown leather work gloves on their left hand, which is holding a section of copper pipe. The pipe is bent at a 90-degree angle. The right hand is holding a black propane torch, which is applied to the joint of the pipe. A bright blue flame is visible at the tip of the torch, and a thin wire of solder is being fed into the joint. Small sparks are flying from the point of contact between the torch and the pipe. The background is dark and out of focus.
