Het Diner:

The Dinner Herman Koch, 2017-03-28 Now a major motion picture starring Richard Gere Laura Linney Steve Coogan Rebecca Hall and Chlo Sevigny An internationally bestselling phenomenon the darkly suspenseful highly controversial tale of two families struggling to make the hardest decision of their lives all over the course of one meal It s a summer s evening in Amsterdam and two couples meet at a fashionable restaurant for dinner Between mouthfuls of food and over the scrapings of cutlery the conversation remains a gentle hum of polite discourse But behind the empty words terrible things need to be said and with every forced smile and every new course the knives are being sharpened Each couple has a fifteen year old son The two boys are united by their accountability for a single horrific act an act that has triggered a police investigation and shattered the comfortable insulated worlds of their families As the dinner reaches its culinary climax the conversation finally touches on their children As civility and friendship disintegrate each couple show just how far they are prepared to go to protect those they love Skewering everything from parenting values to pretentious menus to political convictions this novel reveals the dark side of genteel society and asks what each of us would do in the face of unimaginable tragedy A European Gone Girl The Wall Street Journal

Joosten,Maarten Steenmeijer,2025-10-01 For many literature and marketing are considered opposite phenomena This book

discusses cases in which the two are closely connected It argues that literature is subject to the same mechanisms as other

commercial products our experience of literary texts is prefigured by brands trademarks that identify a product and

differentiate it from its competitors From the early modern period onwards literary authors and their texts are constantly

branded and have been both the object and the trailblazer of a complex marketing process The authors of this volume

analyze this branding process throughout the centuries focusing on the Netherlands To what extent is our experience of

Dutch literature prefigured by brands and what role does branding play when introducing European authors in the Dutch

literary field or vice versa By answering these questions *Branding Books Across the Ages* seeks to show how literary scholars

understand branding a phenomenon that has long been intertwined with literature Tijdschrift Voor Sociale Hygiene ,1907
