

Executive Branch Primary Source, DBQs and Anchor Charters

Directions

Read the following four primary sources carefully. Then, answer the questions that follow each source. Use evidence from the documents to support your answers.

Learning Target

I can evaluate arguments for and against a strong executive branch and explain how the U.S. Constitution shaped the powers of the president.

Success Criteria

- I can identify the basic powers of the executive branch.
 - I can explain arguments for a strong executive.
 - I can explain arguments for a limited executive.
 - I can compare these perspectives and connect them to the Constitution.
-

Document A – U.S. Constitution, Article II, Section 1 (1787)

“The executive Power shall be vested in a President of the United States of America. He shall hold his Office during the Term of four Years, and, together with the Vice President, chosen for the same Term, be elected... Before he enter on the Execution of his Office, he shall take the following Oath or Affirmation:—‘I do solemnly swear (or affirm) that I will faithfully execute the Office of President of the United States, and will to the best of my Ability, preserve, protect and defend the Constitution of the United States.’”

Questions

1. What title does the Constitution give to the head of the executive branch?

Dbq Examining Primary Sources Student Handouts:

Examining the Evidence Kathleen Thompson, Hilary Austin, 2014-01-01 Educators are being challenged as never before to invite reality into the classroom and allow students to explore it This book will help you meet the challenge Primary sources are the very documents that history is made of the images that science is based on the raw material of our lives They are also excellent tools to teach the critical thinking skills required by the Common Core State Standards This book reveals in detail the strategies you can use to make primary sources come alive for your students and to enhance visual literacy using fascinating photographs and powerful primary source texts

Vital Witnesses Mark Newman, 2014-09-29 The use of primary sources as texts in the classroom is growing Teachers realize these vital witnesses provide opportunities to motivate students and improve learning They bring students closer to the people places and events being studied and help students improve content knowledge while building skills Recent trends in standards such as Common Core and the increasing use of the Document Based Questions also promote primary source use The strong push to use primary sources in teaching history and social studies creates a need among teachers for more information on what they are and how they can be used effectively in the classroom Vital Witnesses meets this need by providing teachers with a comprehensive guide to primary sources and their use in the classroom Primary sources are defined and the various types are described Classroom tested activities and strategies are offered to teachers for addressing the needs of all learners and for accommodating Common Core standards and the C3 Framework for State Social Studies Standards

Beginnings Student Handouts Starcia Mckeever, 2006-01
