The EU's Democracy Promotion and the Mediterranean Neighbours Ann-Kristin Jonasson,2013-07-04 This book provides a systematic analysis of the EU's extensive but so far largely failed efforts to promote democracy in the Mediterranean region thoroughly assessing its democracy promotion in relation to two Mediterranean countries Jordan and Turkey By pinpointing essential prerequisites for democracy promotion and analyzing how the EU's policies have related to these the author offers a theoretically based analytical framework focused on the importance of the local orientation and ownership of the project of democratization and the broader dialogue between the democracy promoter and the partner society The author concludes that there are basic deficiencies in the EU's democracy promotion leading to policy implications of vital importance as the EU now grapples with how to make its democracy promotion successful The EU's Democracy Promotion and the Mediterranean Neighbours will be of interest to students and scholars of Democratisation studies EU studies Middle East Studies and EU Neighbourhood studies

America, China, and the Struggle for World Order G. John Ikenberry,Zhu Feng,Wang Jisi,2015-07-22 This book brings together twelve scholars six Americans and six Chinese to explore the ways America and China think about international order The book shows how each country's traditions historical experiences and ideologies influence current global dialogues

Central Asia Ajay Patnaik,2016-03-31 Throughout history Central Asia has formed an important strategic link between the East and the West and been described as the great pivot in the early twentieth century This book looks at the relations between the Central Asian states and major external powers It shows how these nations have kept the fragile geopolitics of the region free of the so called New Great Game The volume evaluates the roles of major powers such as Russia United States China Iran and Turkey as well as India and its Silk Road Strategy It also compares the regional geopolitics of Central Asia with its neighbour Caucasus The study indicates how despite limited inter state cooperation the region has prevented conflicts and wars due to which these states have been able to enjoy greater strategic autonomy in their dealings with other countries The book will benefit scholars and researchers of international relations political and strategic studies area studies and Central Asian studies apart from the interested general reader

Our Energy Future Carla S. Jones,Stephen P. Mayfield,2016-02-16 Our Energy Future is an introductory textbook for a college course in energy production alternative and renewable fuels and related issues involved in building a sustainable energy future Our society is consuming energy at an alarming rate as trends in energy consumption continue to rise Jones and Mayfield explore the creation and history of fossil fuels their impact on the environment and how they have become critical to our society They warn that continuing fuel usage patterns could permanently damage our environment Jones and Mayfield also outline how the adoption of sustainable biofuels will be key to our future energy stability They discuss a number of renewable energy options and then discuss different biofuel feedstocks and their potential as replacements for petroleum based products This book emphasizes the importance of continued scientific agricultural and

engineering development while outlining the political and environmental challenges that are coupled with a complete shift from fossil fuels to renewable energy and biomass Our Energy Future is an excellent accessible resource for undergraduate students studying biofuels and bioenergy Provided by publisher [The European Union and Russia](#) Tuomas Forsberg, Hiski Haukkala, 2016-07-29 This important text provides readers with a systematic and comprehensive overview of the historic and ever evolving relationship between Russia and the European Union and on that basis discusses what the future of relations could look like The EU's policy towards Russia can be regarded as one of the toughest tests of the credibility of its external relations and in examining the dynamics of the relationship this book poses essential questions about the EU's ability to sustain itself as a meaningful entity in world politics Written by two experts in the field it analyses the political and institutional development of EU Russia relations from three perspectives European studies Russian studies and International Relations including Foreign Policy Analysis The relationship between the European Union and Russia is of considerable importance to both partners but whilst there have been many moments of co operation between the two tensions have never been far from the surface and the conflict over Ukraine brought it to a historical nadir Both have taken steps to strengthen their relationship but diplomatic stagnation and the challenge of furthering common economic political social and environmental objectives have proved increasingly testing to relations over time This important text provides readers with a systematic and comprehensive overview of the historic and ever evolving relationship between Russia and the European Union suitable for students at undergraduate and postgraduate levels in European Studies Russian Studies and International Relations theory *The Diplomatic System of the European Union* Michael Smith, Stephan Keukeleire, Sophie Vanhoonacker, 2015-06-12 Over the past five years the EU has established a new system of diplomacy centred on the European External Action Service EEAS and the High Representative for Foreign Affairs and Security Policy This new system reflects a process of evolution in a changing context and has been faced by major challenges since its inception This book examines the diplomatic system of the EU locating it within the broader study of diplomacy and the European integration project The volume is structured around the interrelated themes of institutional change and the evolving practices of EU diplomacy It tracks the development of the EU's system of diplomacy with particular reference to the implementation of the Lisbon Treaty the establishment of the EEAS and the emerging practices of EU strategic and structural diplomacy Bringing together contributions from leading experts in the field this book provides an original approach to the development and operation of the EU's diplomatic system This book will be of interest to students and scholars of European Union international relations European Union politics and diplomacy **NATO's Democratic Retrenchment** Henrik B.L. Larsen, 2019-07-02 Exploring NATO's post Cold War determination to support democracy abroad this book addresses the alliance's adaptation to the new illiberal backlashes in Eastern Europe the Western Balkans and Afghanistan after the alleged return of history The book engages the question of what has driven NATO to pursue democratisation in face of the significant

region specific challenges and what can explain policy expansion or retrenchment over time Explaining NATO s adaptation from the perspective of power dynamics that push for international change and historical experience that informs grand strategy allows wider inferences not only about democratisation as a foreign policy strategy but also about the nature of the transatlantic alliance and its relations with a mostly illiberal environment Larsen offers a theoretical conception of NATO as a patchwork of one hegemonic and several great power interests that converge or diverge in the formulation of common policy as opposed to NATO as a community of universal values This volume will appeal to researchers of transatlantic relations NATO s functional and geographical expansion hegemony and great power politics democracy promotion lessons of the past Neoclassical Realism alliance theory and the crisis of the liberal world order **Yojana** ,2012 **The London Corn Circular** ,1926 *Yearbook of International Organizations 2014-2015, Volumes 1A And 1B (SET)* Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events Nationalism in World Affairs Chamba M.
