## DISCUSSIONS Part 1: Chapter VI

---

1. "Your worst enemy, he reflected was you own nervous system." What does Winston mean?
2. Winston and Katherine were a poor match. How do you think they came to be married?
3. Winston feels compelled to write about the episode with the prostitute even though thinking about it causes him intense distress. What do we learn about him from this recollection?
4. Winston wears blue overalls because he is a member of the Outer Party. How do you think the society decides who belongs to the Inner Party, the Outer Party, and the proles?

**EXCERPT ANALYSIS:** What makes the excerpt important or interesting? You might analyze imagery, theme, symbol, word choice, characterization, plot / conflict, or point of view.

... All marriages between Party members had to be approved by a committee appointed for the purpose, and—though the principle was never clearly stated—permission was always refused if the couple concerned gave the impression of being physically attracted to one another. The only recognized purpose of marriage was to beget children for the service of the Party. Sexual intercourse was to be looked on as a slightly disgusting minor operation, like having an enema. ... There were even organizations such as the Junior Anti-Sex League, which advocated complete celibacy for both sexes. ... (65)

**Making Sense of Women's Lives** Michelle Plott, Lauri Umansky, 2000 Making Sense of Women's Lives presents a wide range of writings about women's lives in the United States. Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection. Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits, the editors have also chosen writing that makes an enjoyable read. A few of the selections here represent the undisputed classics of the field. More of them constitute simply the works drawn from academic and nonacademic sources alike that could make a difference in understanding what it means to be female in America. Making Sense of Women's Lives is intended as the primary text in Women's Studies courses. With that usage in mind, Plott and Umansky have provided brief introductions to each article to help students understand the author's perspectives. Thought and discussion questions follow each selection. The book contains as well numerous Flash Exercises, suggestions for class exercises and activities. The editors have used these activities in their courses over the past decade in conjunction with readings in this volume and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women's Studies. A Collegiate Press book.

**Fiscal Year 1986 Department of Energy Authorization (basic Research Programs)** United States. Congress. House. Committee on Science and Technology. Subcommittee on Energy Development and Applications, 1985. Abel v. Eli Lilly and Company, 418 MICH 311 (1984), 1984 64712. The SAGE Handbook for Research in Education Clifton F. Conrad, Ronald C. Serlin, 2006 Research is increasingly becoming more influential in the field of education and this Handbook brings together a range of top academic experts who represent diverse fields within and outside of education as well as quantitative, qualitative and mixed method approaches to provide an up-to-date advanced analysis of all relevant issues involved in educational research. The Handbook is written in lively, welcoming prose and central to the handbook is an intention to encourage and help researchers place ideas at the epicenter of inquiry. In addition, explicit discussion of the fundamental challenges that researchers must consciously address throughout their inquiry are identified and solutions provided to help future researchers overcome similar obstacles. *Essay Questions and Selected Answers from the ... **Federal Tax** Irvin N. Gleim, Sandra S. Kramer, Holger D. Gleim, 1985. Second-language Classroom Interaction Ann C. Wintergerst, 1994 This book analyzes teacher and student interaction in the context of twelve ESL lessons with the purpose of exploring the extent of student language output. Research has confirmed that teacher speech dominates the second language classroom. Not surprisingly, teacher talk has been investigated in numerous studies but student talk has been largely overlooked. This study addresses that imbalance. Questions are one means of engaging student attention, promoting verbal responses and evaluating student progress. They facilitate interaction by establishing the topic, the speaker and the respondent. However, as the author shows, some teacher questions encourage communication while others inhibit it. In this

analysis of teacher and student questions and answers Professor Wintergerst offers new perspective on second language development and classroom learning in general BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Standard & Poor's Creditweek ,1985 *JOHN PRENTIS V YALE MANUFACTURING COMPANY, 421 MICH 670 (1984)* ,1984 69581 Questioning and Discussion J. T. Dillon,1988 This volume develops an encompassing view of questioning and discussion in a classroom setting and enhances the understanding and practice of multidisciplinary research by including perspectives from various fields Scholars join together in analysis over the same set of transcribed discussions from the perspectives of logic sociolinguistics philosophy various branches of psychology and various traditions within education research The analyses cover all aspects of questioning and discussion An appealing and distinctive feature of this book is its focus on actual empirical and easily accessible examples of classroom interaction It thus grounds discussion whether practical or theoretical with actual classroom practice **Social Problems** Joel M. Charon,2002 A unique and groundbreaking collection of 58 articles organized in 13 thematic sections that takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings that cover a wide range of issues in the United States and the world The introductory article written by the author focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This Four Questions approach gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us **California.
