**David: Future King** ,2017-12 This is an 18 page group activity reader for discussion and reminiscence This is a retelling of the Bible story of David and Goliath

**Life Lessons from 2 Samuel** Max Lucado,2026-03-24 It wasn t an easy path for David to become king over Israel God had personally selected him for the role at a young age and given him the strength and courage to defeat the Philistine giant named Goliath However David s popularity that resulted from this triumph made the current king Saul paranoid that he would lose the throne He made attacks against David s life forcing the younger man to flee into the wilderness and even hide out in enemy territory Saul was ultimately killed in battle but the path wouldn t get much easier for David once he became king Sadly much of this turmoil would come about as a result of David s own sinful actions when he committed adultery and then murder to cover it up Join beloved author Max Lucado as he explores David s reign in 2 Samuel and how God used him to become Israel s greatest king in spite of his many flaws and failings As you read study journal and discuss the book of 2 Samuel watch for these key themes that Max will unpack throughout the book God provides his guidance in the intersections of life Pride always leads to a fall and colossal collapses Our God is in the business of forgiving and restoring his people The Lord continues to look for people after his own heart Life Lessons with Max Lucado brings the Bible to life in twelve lessons filled with intriguing questions inspirational stories and poignant reflections to take you deeper into God s Word Each lesson includes An opening reflection on the Bible book you re studying Background information to deepen your understanding of the cultural and historical setting An excerpt of the text from the NIV and the NKJV Exploration questions with plenty of room to write your own thoughts and notes Inspirational thoughts from Max as well as a closing takeaway for further reflection The Life Lessons series is ideal for use in both a small group setting or for individual study

2 Samuel David Legg,2021-10-14 2 Samuel Second Samuel can be an awkward book to study because it contains so called nasty chapters Uzzah being struck down 6 David s adultery 12 God seeming to approve of the killing of some relatively innocent Benjamites 21 and the Lord inciting David to sin 24 But the problems in these chapters are far from insurmountable especially with the help of a good commentary for example Dale Ralph Davis Looking on the Heart Christian Focus and these small group study notes 1 and 2 Samuel are about how Israel s failing leaders under the Old Covenant the judges are replaced with a king First in 1 Samuel Saul a king who does not love God is given as a chastisement to the people Then in 2 Samuel David a king after God s own heart 1 Samuel 13 14 is given a covenant king whose reign typifies much of King Jesus future reign However as 2 Samuel progresses we also discover that even David falls far far short of being a truly Christlike king From the true stories in 2 Samuel we are movingly challenged

about our own hearts our relationship with God and our submission to King Jesus Each study in this manual is designed to take less than an hour if done in a group of around half a dozen people Larger groups will tend to take longer Regular weekly small group meetings can easily cover 2 Samuel in about a year allowing for holidays It is not assumed that 1 Samuel was studied previously but obviously that would usually be the best plan All participants may have their own copy of these notes which have spaces for writing in the answers to the questions This encourages regular attendance by group members The leader uses the same study material but will need to do some preparation beforehand Song suggestions are included with each study Sometimes there is a piece of optional homework to do

Studies in 2 Samuel Dennis Dinger,2018-07-20 The book of 2 Samuel gives an account of the reign of king David During his reign King David faced many problems and his armies endured many battles especially against the armies of Israel and the Philistines David was a great man of God who was not perfect especially when he took action without first consulting the Lord The Lord nevertheless established the house of David forever through David s descendant and the very Son of God Jesus Christ We can learn a lot from the life and reign of king David because we face many similar problems in this modern 21st Century world

*2 Samuel* John F. MacArthur,2016-03-29 David is known as Israel s greatest king but he was not a super hero He had to fight many battles to establish his throne and when he did become king he committed murder adultery and brought disaster on his family He was a man with human failings yet he was also a man after God s own heart David depended on God s grace for forgiveness when he stumbled the same grace that is available to us today In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with David s struggle to establish his throne continuing through his sin and repentance and concluding with the tragic rebellion of his son Absalom Studies include close up examinations of Joab Amnon Tamar Absalom and others as well as careful considerations of doctrinal themes such as Obedience and Blessing and being a Man After God s Own Heart

Morrison,2013 King David ranks among the most intriguing persons in the Hebrew Bible The Second Book of Samuel tells the story of David s kingship his public successes and his private foibles The narrator s rehearsal of this story as questioning as it is vivid glimpses the secrets of David s heart In this commentary Craig E Morrison focuses on the aesthetics of the art of the telling how does the narrator succeed in breathing life into his portrait of David How does he draw the reader into his story This commentary is intended to accompany the reader s encounter with this ancient masterpiece so that one might cheer with David as he dances before the ark of God and weep with him as he grieves the death of his rebel son Absalom Morrison s careful reading of 2 Samuel brings the reader face to face with David whose multifaceted character eludes facile labels
