It explains the roots and key rationales of the strategy field, discussing common models, tools, and practices to provide a complete overview of conventional analytical techniques in strategic management. Andersen extends the discussion to consider dynamic strategy making and how it can enable organizations to respond effectively to turbulent and unpredictable global business environments. There is a specific focus on multinational corporate strategy issues relevant to organizations operating across multiple international markets. Written in a clear and direct style, it will appeal to students and practising managers and executives alike. *Proceedings of the XV International Symposium Symorg 2016* Ondrej Jaško, Sanja Marinković, 2016-06-03

The Routledge Handbook of Global Public Policy and Administration Thomas R. Klassen, Denita Cepiku, T. J. Lah, 2016-11-10 The Routledge Handbook of Global Public Policy and Administration is a comprehensive leading edge guide for students, scholars, and practitioners of public policy and administration. Public policy and administration are key aspects of modern societies that affect the daily lives of all citizens. This handbook examines current trends and reforms in public policy and administration such as financial regulation, risk management, public health, e-government, and many others at the local, national, and international levels. The two themes of the book are that public policy and administration have acquired an important global aspect and that a critical role for government is the regulation of capital. The handbook is organized into three thematic sections: Contemporary Challenges, Policy and Administration Responses, and Forging a Resilient Public Administration, to allow readers to quickly access knowledge and improve their understanding of topics. The opening chapter introduces the sections and extensive glossary aids readers to most effectively learn from the book. Each chapter provides a balanced overview of current knowledge, identifying issues and discussing relevant debates. The book is written by authors from Europe, Asia, North and South America, Africa, and Australia. *Proceedings of the 1986 Academy of Marketing Science (AMS) Annual Conference* Naresh K.
