

Learn to use these powerful tools together and build Web sites that work

Have you noticed that page layouts and colors, your site's content, JavaScript and AJAX are everywhere these days? Even if you're not a full-time programmer, you still have to work with any designer and address both easy-to-use, build-time sites and an application. In this book, you'll build an application building web using the same techniques you use.

JavaScript — what you've heard about JavaScript and how to use it

jQuery — what you've heard about jQuery and how to use it
