The River and the Source - Study Guide, Notes, Themes, Typical Essay Questions and Answers

The River and the Source Plot:

The River and Source has a very simple plot. I would easily define the plot as a linear plot-in the sense that the book begins with the birth of Akoko, the flow and pace that the writer uses is of progressive nature.

It moves from one event to another progressively to the end.

Unlike many books, The River and the Source lacks real conflicts for one cannot fight with nature.

The supernatural forces within the book sets the motivation in Akoko to live on and see another day unlike in other novels where, revenge is motivated with a wrong done or the antagonist has to face off with the protagonist.

The protagonist has to learn the antagonist's weaknesses and defeated for a happily ever after life.

The River and The Source begins with a fine morning where a child is born in the house of Aketch the Second wife of the Great Chief of Yimbo Odero Gogni Adinda.

The child is the first born daughter in a family of already seven sons.
