The Re-Enlightenment Carole and David McEntee-Taylor,2011-11-01 Who are we Why are we here Is there a god The world we currently live in is characterised by its conflicting cultures with their diverse political social and religious views Add to this the growing climatic problems and the increasing gap between those who have and those who have not and this world seems a very unstable place The majority of us not only feel powerless to prevent this but also find it hard to accept some of the reasons we are given to explain this pain and suffering Religions spiritualism politics and science have all provided competing explanations but have not provided any real proof Furthermore the world as we currently know it is a result of those competing explanations We are all citizens of this world and as such have a vested interest in its future We all have questions about why we are here and we are all entitled to the answers There is something in this book for everybody from those who are not satisfied with the way the world is and think there has to be a better way to those who just wish to know why we are really here

Shirdi Sai Baba Santosh Chowdhury,2023-03-07 Many devotees regularly ask questions to Shirdi Sai Baba ranging from their problems to sharing joy or asking for some solution Over many months the author through his research and in his own meditation found out that there are a lot many questions we have in mind but we have never asked him Like I will cite an example here Do affirmations charge Shirdi Sai Baba s name while we chant his name Answer Affirmations can help charge the name of Shirdi Sai Baba but the effectiveness of affirmations ultimately depends on the belief and dedication of the person reciting the name or even mantra If someone truly believes in the power of affirmations and trusts in the spiritual energy of Shirdi Sai Baba then affirmations can be a powerful way to connect with and invoke the divine presence of Baba

However if someone is simply reciting affirmations as a superficial or mechanical practice without the underlying faith and devotion they may not experience the full potential of this practice Ultimately the key to charging Shirdi Sai Baba s name lies in the sincerity and depth of one s spiritual practice **The Illustrated Weekly of India** ,1982 **Sai Baba, Lord of the**
