

OPEN Hierarchical contrastive learning for multi-label text classification

Wei Zhang^{1,2}, Yun Jiang^{1,2}, Yun Fang³ & Shuai Pan^{1,2}✉

Multi-label text classification presents a significant challenge within the field of text classification, particularly due to the hierarchical nature of labels, where labels are organized in a tree-like structure that captures parent-child and sibling relationships. This hierarchy reflects semantic dependencies among labels, with higher-level labels representing broader categories and lower-level labels capturing more specific distinctions. Traditional methods often fail to deeply understand and leverage this hierarchical structure, overlooking the subtle semantic differences and correlations that distinguish one label from another. To address this shortcoming, we introduce a novel method called Hierarchical Contrastive Learning for Multi-label Text Classification (HCL-MTC). Our approach leverages the contrastive knowledge embedded within label relationships by constructing a graph representation that explicitly models the hierarchical dependencies among labels. Specifically, we recast multi-label text classification as a multi-task learning problem, incorporating a hierarchical contrastive loss that is computed through a carefully designed sampling process. This unique loss function enables our model to effectively capture both the correlations and distinctions among labels, thereby enhancing the model's ability to learn the intricacies of the label hierarchy. Experimental results on widely-used datasets, such as RCV1-v2 and WoS, demonstrate that our proposed HCL-MTC model achieves substantial performance gains compared to baseline methods.

Keywords Contrastive learning, Hierarchical structure, Multi-task, Multi-label text classification

The task of text classification, a cornerstone of natural language processing (NLP), has recently attracted increased interest. Its applications span a wide range of fields, including sentiment analysis^{1–4}, document categorization⁵, medical codes prediction⁶, legal studies⁷, patent classification⁸, and financial analysis⁹. Among these, Multi-label Text Classification (MTC) stands out as a particularly complex challenge. In MTC, the goal is to assign multiple labels to a given text, where the set of labels often exhibits a hierarchical structure. This structure implies a relationship between labels, such that information pertaining to one label can influence the inference of another, thereby adding complexity to the classification task.

The current approaches to the MTC task can be broadly classified into two categories: (1) methods that predict labels using textual information alone, and (2) approaches that combine both label and textual information for prediction. The first category of methods relies on local and global features extracted by text encoders to forecast labels. Notable examples include CNN-based models^{10–12} that address data imbalance issues caused by a lack of samples for child labels. Other works in this category focus on incorporating semantic information from text¹¹. While these methods are effective at capturing textual subtleties, they generally fail to account for relationships between labels.

The second category of methods aims to integrate textual and label information. Strategies include weight initialization¹³, learning label hierarchies^{14–16}, and the use of capsule networks^{16,17}. These approaches improve the efficiency of MTC by leveraging label information but often achieve only a superficial understanding of the label hierarchy. The graph convolutional network (GCN)-based model¹⁸ shows promise in learning a deep label hierarchy but does not fully exploit label information, focusing exclusively on correlative aspects and overlooking label distinctiveness.

Despite substantial progress, a critical gap in research persists: the majority of current methods do not effectively utilize both the distinctive and correlative aspects of label information to optimize hierarchical multi-label classification. This shortcoming restricts the effectiveness of these models, especially in complex, hierarchical label structures where both types of information are essential for accurate classification.

The concurrent consideration of correlative and distinctive information is fundamental to achieving a deep understanding of the label hierarchy, thus improving the effectiveness of MTC. As depicted in Fig. 1, the similarity s_{23} between nodes 2 and 3 represents distinctive information, which is presumed to be maximized

Active Learning For Hierarchical Text Classification:

This Captivating Realm of Kindle Books: A Thorough Guide Revealing the Advantages of E-book Books: A World of Convenience and Flexibility Kindle books, with their inherent mobility and ease of availability, have freed readers from the constraints of physical books. Gone are the days of carrying bulky novels or meticulously searching for specific titles in bookstores. Kindle devices, sleek and portable, effortlessly store an wide library of books, allowing readers to immerse in their favorite reads whenever, anywhere. Whether commuting on a busy train, lounging on a sunny beach, or simply cozying up in bed, E-book books provide an unparalleled level of convenience. A Reading World Unfolded: Exploring the Vast Array of E-book Active Learning For Hierarchical Text Classi Cation Active Learning For Hierarchical Text Classi Cation The E-book Shop, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning varied genres, catering to every readers preference and preference. From gripping fiction and thought-provoking non-fiction to classic classics and modern bestsellers, the E-book Shop offers an exceptional abundance of titles to discover. Whether seeking escape through engrossing tales of fantasy and adventure, delving into the depths of past narratives, or broadening ones understanding with insightful works of scientific and philosophical, the Kindle Store provides a gateway to a bookish world brimming with endless possibilities. A Game-changing Factor in the Bookish Landscape: The Lasting Impact of Kindle Books Active Learning For Hierarchical Text Classi Cation The advent of E-book books has unquestionably reshaped the bookish landscape, introducing a paradigm shift in the way books are published, distributed, and read. Traditional publication houses have embraced the digital revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a rise in the accessibility of E-book titles, ensuring that readers have entry to a vast array of literary works at their fingers. Moreover, E-book books have democratized access to literature, breaking down geographical limits and offering readers worldwide with equal opportunities to engage with the written word. Irrespective of their location or socioeconomic background, individuals can now engross themselves in the intriguing world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience Active Learning For Hierarchical Text Classi Cation E-book books Active Learning For Hierarchical Text Classi Cation, with their inherent convenience, versatility, and vast array of titles, have certainly transformed the way we experience literature. They offer readers the freedom to explore the limitless realm of written expression, whenever, anywhere. As we continue to travel the ever-evolving digital landscape, E-book books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains accessible to all.

Active Learning For Hierarchical Text Classification Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Active Learning For Hierarchical Text Classification free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Active Learning For Hierarchical Text Classification free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Active Learning For Hierarchical Text Classification free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Active Learning For Hierarchical Text Classification. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Active Learning For Hierarchical Text Classification any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Active Learning For Hierarchical Text Classification Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Active Learning For Hierarchical Text Classification is one of the best book in our library for free trial. We provide copy of Active Learning For Hierarchical Text Classification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Active Learning For Hierarchical Text Classification. Where to download Active Learning For Hierarchical Text Classification online for free? Are you looking for Active Learning For Hierarchical Text Classification PDF? This is definitely going to save you time and cash in something you should think about.
