Accounting Best Practices Steven M. Bragg, 2016-03-22 ACCOUNTING BEST PRACTICES Seventh Edition Today's accounting staffs are called on to work magic: process transactions, write reports, improve efficiency, create new processes, all at the lowest possible cost using an ever-shrinking proportion of total corporate expenses. Sound impossible? Not if your staff is using the best practices for accounting. Fully updated in a new edition, *Accounting Best Practices Seventh Edition* draws from renowned accounting leader Steven Bragg's extensive experience in successfully developing, operating, and consulting various accounting departments. This invaluable resource has the information you need, whether you've been searching for ways to cut costs in your accounting department or just want to offer more services without the added expense. The best practices featured in this excellent step-by-step manual constitute the need-to-know information concerning the most advanced techniques and strategies for increasing productivity, reducing costs, and monitoring existing accounting systems. This new edition boasts over 400 best practices, with fifty new to this edition in the areas of taxation, finance, collections, general ledger, accounts payable, and billing. Now featuring a corresponding seven-minute podcast for each chapter, found on the book's companion website, *Accounting Best Practices* is the perfect do-it-yourself book for the manager who wants to significantly boost their accounting department.

The Fast Close Toolkit Christine H. Doxey, 2019-12-24 This publication focuses on the critical methods that can be used to dramatically improve the fiscal closing process. The Record to Report (R2R) or Fiscal Closing Process is at the core of the controllership function. The process includes transaction processing, internal and external reporting, and the internal controls, the people, processes, and technology that constitute the corporate organizational hierarchy. CFOs, controllers, and corporate finance departments require timely, accurate, and consistent data to make appropriate operational and strategic decisions and fulfill statutory, regulatory, and compliance requirements with accurate and timely data. *The Fast Close Toolkit* offers both strategic and tactical suggestions that can significantly improve the fiscal closing process and provides guidance on new legislation, requirements, systems, and best practice processes. Checklists, templates, process narratives, and sample policies are provided for every component of the fiscal close. Investors and shareholders expect fast and easy access to the data created by current business activities in the information-driven digital age. *The Fast Close Toolkit* provides the necessary tools and expert advice to improve the fiscal closing process. Authoritative and up-to-date, this book identifies the bottlenecks that can impact the fiscal close process and provides best practices to help alleviate these challenges. Defines the Record to Report (R2R) and recommends the roles and responsibilities for fiscal close processes. Offers the internal controls to use for the end-to-end fiscal close process. Describes approaches for risk management, R2R, and fiscal close benchmarking. Identifies KPIs for all aspects of the R2R process. Provides the mechanism for developing a financial close scorecard. Recommends leading practices for both external and internal reporting. Provides guidance on how strategic planning, the budget, and forecast processes can be streamlined to
