The book encourages diverse thinking about how conflict impacts not only on the individual but also on relationships in their broadest sense, at home, at work, locally, and globally. The authors show how to apply the theoretical aspects of mediation to skill building for conflict management, negotiation, and mediation, and include discussion of assessment methods. *Conflict Resolution and Mediation* is comprehensive in its coverage of all the skills and processes needed by students, coaches, mentors, and practitioners to help deal with dilemmas and become reflective practitioners. It is complete with case studies, clear examples, and dialogue extracts.
