Binary oppositions in pure form or categories with flowing borders? A deconstructive analysis of the "Harry Potter" movies Marco Ring,2017-08-22 Seminar paper from the year 2017 in the subject Didactics for the subject English Literature Works grade 15 Punkte Gustav von Schler Schule Specialized Secondary Schooland Upper Vocational School language English abstract This seminar paper aims to display the conflict between Good and Evil shown in the Harry Potter film series distributed by Warner Bros which is based on the novel by J K Rowling The conflict is focused on Harry Potter as the good guy and Lord Voldemort as his evil opponent This paper essentially consists of two main parts the theoretical and analytical section and a conclusion at the end The very start however gives the reader a raw notion of the typical interpretation of Good and Evil Then the paper gives a brief synopsis of the Harry Potter story to figure out what the plot of Harry Potter is about The theoretical part contains two significant subdivisions It deals with structuralism and post structuralism as well as with three subsections of post structuralism which are deconstruction in literature and film studies and finally with binary oppositions The most important goal is to figure out what the deconstruction and binary oppositions are about and make it clear how they are applied in movies Afterwards the seminar paper goes firsthand into the analytical part which is the second section and considers a deconstructive analysis if the representation of Good and Evil are either in their pure form or categories with flowing borders in the film series Harry Potter The most significant thing in this part is to split up the movie into essential pieces like the visual aspects and sound design Another essential point is to figure out their equalities differences and in certain circumstances the connections to each other **Harry Potter Box Set: the Complete Collection 1-7 Books Boxed Set Complete Collection** J. endeavours like *Nanny McPhee* 2005 *MirrorMask* 2005 and *Franklyn* 2008. However such films have received minimal critical attention as British fantasy films.
