### Steps of Case Study Analysis & Solution:

#### Step 1 - Reading the Bark Gift Shop Ltd Case Study

To write an emphatic case study analysis and provide pragmatic and actionable solutions, you must have a strong grasps of the facts and the central problem of the HBR case study. Begin slowly - underline the details and sketch out the business case study description map. In some cases you will able to find the central problem in the beginning itself while in others it may be in the end in form of questions. Business case study paragraph by paragraph mapping will help you in organizing the information correctly and provide a clear guide to go back to the case study if you need further information.

My case study strategy involves.

Marking out the protagonist and key players in the case study from the very start.

Drawing a motivation chart of the key players and their priorities from the case study description.

Refine the central problem the protagonist is facing in the case and how it relates to the HBR fundamentals on the topic.

Evaluate each detail in the case study in light of the HBR case study analysis core ideas.
