Performing Early Christian Literature Kelly Iverson, 2021-10-07 Scholars of early Christian literature acknowledge that oral traditions lie behind the New Testament gospels While the concept of orality is widely accepted it has not resulted in a corresponding effort to understand the reception of the gospels within their oral milieu In this book Kelly Iverson reconsiders the experiential context in which early Christian literature was received and interpreted He argues that reading and performance are distinguishable media events and significantly that they produce distinctive interpretive experiences for readers and audiences alike Iverson marshals an array of methodological perspectives demonstrating how performance generates a unique experiential context that shapes and informs the interpretive process Iverson s study explores the dynamic oral environment in which ancient audiences experienced the gospel stories He shows why an understanding of oral performance has important implications for the study of the NT as well as for several issues that are largely unquestioned by biblical scholars *The Eight Universal Dimensions of Culture from a Synthesis of Cultural Taxonomies* Sophie Kunert, 2022-08-29 The crucial element of this book constitutes the synthesis of cultural dimensions from existing cultural taxonomies extended by the operationalization of the eight identified Universal Dimensions of Culture UDCs into a

questionnaire First an extensive Systematic Literature Review SLR is pursued to identify the current state of research demonstrating the research gap on a unified approach for classifying national cultures into cultural dimensions Eight assumptions displaying the eight UDCs are derived from the results of the SLR Subsequently an evaluation and selection framework for identifying the research base of comparable existing cultural taxonomies is developed A research base of 11 cultural taxonomies and 50 cultural dimensions is retrieved These serves as the basis for developing the eight UDCs following a synthesis process and protocol The eight UDCs are operationalized into a questionnaire which is extensively pre tested by experts and in the field An example country study for Germany Canada and Brazil is conducted and the corresponding country profiles for the eight UDCs are displayed

Translating Cultures David Katan, Mustapha Taibi, 2021-06-17 This bestselling coursebook introduces current understanding about culture and provides a model for teaching culture to translators interpreters and other mediators The approach is interdisciplinary with theory from Translation Studies and beyond while authentic texts and translations illustrate intercultural issues and strategies adopted to overcome them This new third edition has been thoroughly revised to update scholarship and examples and now includes new languages such as Arabic Chinese German Japanese Russian and Spanish and examples from interpreting settings This edition revisits the chapters based on recent developments in scholarship in intercultural communication cultural mediation translation and interpreting It aims to achieve a more balanced representation of written and spoken communication by giving more attention to interpreting than the previous editions especially in interactional settings Enriched with discussion of key recent scholarly contributions each practical example has been revisited and or updated Complemented with online resources which may be used by both teachers and students this is the ideal resource for all students of translation and interpreting as well as any reader interested in communication across cultural divides Additional resources are available on the Routledge Translation Studies Portal <http://routledgetranslationstudiesportal.com>
