

Act One*Standards Focus: Setting, Tone, and Mood*

Setting is the time, place, and atmosphere in which the action of a story takes place. Setting can include time of day, weather, season, era, location, and social or political atmosphere; for example: *It is night; an old barn outside of Greenbow, Alabama; Spring, 1932; Depression Era.* **Tone** is the author's feeling toward his subject; a clever writer can use a sympathetic tone to make the reader feel sorry for a character, for example. Conversely, writers can use a distant, detached tone to keep the reader from relating to or feeling sentiment for a character. **Mood** is the general emotional response that a reader feels when reading. Writers use figurative language, details, dialogue, and foreshadowing to help set the mood in a piece of literature. Mood is often expressed in adjectives which describe how the writer intends to make you feel, like: *tense, serene, somber, optimistic, dark, and depressed.*

In Act One, Shakespeare creates a mood of tension and unrest from the very first moment the characters appear onstage. Although the men are engaged in humorous wordplay, it is clear that Caesar's rise to power has created tension in Rome.

Directions: For each of the quotes from the text, underline the words that reveal the setting, including clues about time, place, and atmosphere. Then explain how these particular words indicate specifics about the setting. Next, explain the tone Shakespeare uses to create mood. Include comments on the use of figurative language, imagery, etc., if apparent. Finally, describe the mood of the excerpt using as many details and appropriate adjectives as possible. An example has been done for you.

Ex. "Wherefore rejoice? What conquest brings he home? / What tributaries follow him to Rome / To grace in captive bonds his chariot wheels? / You blocks, you stones, you worse than senseless things! / O you hard hearts, you cruel men of Rome, / Knew you not Pompey?" (scene 1, lines 31-36)

a. Setting: Rome is the city in which the story takes place; captive bonds refers to slaves and slavery, which was legal at the time; chariot wheels indicate they used chariots, which were used for transportation and in sport; Pompey was the ruler of Rome until Caesar took power.

b. Tone: defiant, ironic, condescending, bitter, "preachy"

c. Mood: anxious, hostile, tense, offensive

1. "And when you saw his chariot but appear, / **Have you not made an universal shout,** / That Tiber trembled underneath her banks / **To hear the replication of your sounds** / Made in her concave shores? / **And do you now put on your best attire?** / And do you now cull out a holiday? / And do you now strew flowers in his way / That comes in triumph over Pompey's blood? / Be gone!" (scene 1, lines 42-51)

a. Setting: When Pompey arrived to Rome with his Chariot. The commoners were cheering Pompey's victory, which caused the Tiber River to Tremble. However, Flavius and Murellius were frustrated at the commoners because they celebrated Caesar's triumphal return after defeating the commoners' old leader Pompey.

b. Tone: arrogant, critical, bitter, concerned, condescending _____

c. Mood: hopeless, disappointing, frustrated, and shocked, shame _____

Standards Focus Dialogue Chapter One Answers
