## **Demolition Of Building Study Mafia:**

*Handbook of Research on Digital Research Methods and Architectural Tools in Urban Planning and Design* Abusaada, Hisham, Vellguth, Carsten, Elshater, Abeer, 2019-06-28 The efficient usage investigation and promotion of new methods tools and technologies within the field of architecture particularly in urban planning and design is becoming more critical as innovation holds the key to cities becoming smarter and ultimately more sustainable In response to this need strategies that can potentially yield more realistic results are continually being sought The Handbook of Research on Digital Research Methods and Architectural Tools in Urban Planning and Design is a critical reference source that comprehensively covers the concepts and processes of more than 20 new methods in both planning and design in the field of architecture and aims to explain the ways for researchers to apply these methods in their works Pairing innovative approaches alongside traditional research methods the physical dimensions of traditional and new cities are addressed in addition to the non physical aspects and applied models that are currently under development in new settlements such as sustainable cities smart cities creative cities and intercultural cities Featuring a wide range of topics such as built environment urban morphology and city information modeling this book is essential for researchers academicians professionals technology developers architects engineers and policymakers

**Moscow under Construction** Robert Argenbright, 2016-07-26 *Moscow under Construction* explores the growth of place based opposition to destructive redevelopment practices in Moscow and the consequent changes in city s governance regime The groups of citizens discussed in this study have struggled to defend homes neighborhoods heritage buildings and historic districts and in the process they ve built up civil society and advanced democratization Heritage preservationists and other aggrieved Muscovites have organized themselves into initiative groups and social associations to protect specific places in the city and to influence the planning process and these place defenders have become more confident and capable as citizens Their activities also have caused Moscow s city government to shift along the political spectrum away from highly authoritarian and opaque habits of ruling toward a more open and collaborative governance regime

**Internal Migration, Crime, and Punishment in Contemporary China** Anqi Shen, 2018-11-15 This work investigates inequality and social exclusion in contemporary Chinese society specifically in the context of urbanization migration and crime Economic reforms started in the late 1970s post Mao fuelled a trend of urbanization and mass migration within China largely from rural areas to more economically developed urban regions With this migration came new challenges in a rapidly changing society Researchers have extensively studied the rural to urban human movement social changes inequality and its impact on individuals and society as a whole This volume provides a new perspective on this issue It forges a link between internal migration inequality social exclusion and crime in the context of China through qualitative research into the impact of this phenomenon on individuals lives Using a series of case studies drawn from interviews with inmates men and women in a large Chinese prison it focuses on migrant offenders subjective

experiences and analyses issues from the rarely heard perspectives of migrant lawbreakers themselves The research demonstrates how factors including the hukou system rural urban class and gender inequalities prejudices against rural migrants and other structural problems often lead to migrant offending The author argues that to mitigate the effects of criminalisation the root causes of these problems should be examined emphasizing radical reforms to the hukou policy cultural change in urban society to welcome newcomers positive programs to integrate migrant workers into urban societies and improve their opportunities rather than inflicting harsher penalties or reducing migration While the research is based in China it has clear implications for other regions of the world which are experiencing similar tensions related to national and international migration This work will be of interest to researchers in criminology and criminal justice particularly with an interest in Asia as well as those in related fields such as sociology law and social justice

*The Routledge Handbook on Historic Urban Landscapes in the Asia-Pacific* Kapila Silva, 2019-12-23 The Routledge Handbook on Historic Urban Landscapes in the Asia Pacific sheds light onto the balancing act of urban heritage management focusing specifically on the Asia Pacific regions in which this challenge is imminent and in need of effective solutions Urban heritage while being threatened amid myriad forces of global and ecological change provides a vital social cultural and economic asset for regeneration and sustenance of liveability of inhabited urban areas worldwide This six part volume takes a critical look at the concept of Historic Urban Landscapes the approach that UNESCO promotes to achieve holistic management of urban heritage through the lens of issues prospects and experiences of urban regeneration of the selected geo cultural context It further discusses the difficult task that heritage managers encounter in conceptualizing mapping curating and sustaining the plurality poetics and politics of urban heritage of the regions in question The connective thesis that weaves the chapters in this volume together reinforces for readers that the management of urban heritage considers cities as dynamic entities palimpsests of historical memories collages of social diversity territories of contested identities and sites for sustainable liveability Throughout this edited collection chapters argue for recognizing the totality of the eco cultural urban fabric embracing change building social cohesion and initiating strategic socio economic progress in the conservation of Historic Urban Landscapes Containing thirty seven contributions written by leading regional experts and illustrated with over 200 black and white images and tables this volume provides a much needed resource on Historic Urban Landscapes for students scholars and researchers

*Inhabiting Liminal Spaces* Isabella Clough Marinaro, 2022-02-09 This book draws together debates from two burgeoning fields liminality and informality studies to analyze how dynamics of rule bending take shape in Rome today Adopting a multiscalar and transdisciplinary approach it unpacks how gaps and contradictions in institutional rulemaking and application force many residents into protracted liminal states marked by intense vulnerability By merging a political

economy lens with ethnographic research in informal housing illegal moneylending unauthorized street vending and waste collection the author shows that informalities are not marginal or anomalous conditions but an integral element of the city s governance logics Multiple actors together construct the local cultural norms conventions and moral economies through which rule negotiation occurs However these practices are ultimately unable to reconfigure historically rooted power dynamics and hierarchies In fact they often aggravate weak urbanites difficulties in accessing rights and services A study that challenges assumptions that informalities are predominantly features of developing economies or limited to specific groups and sectors this volume s critical approach and innovative methodology will appeal to scholars of sociology and anthropology interested in social theory urban studies and liminality *Public Health and Urban Development* Ghanshyam Shah,1997-09-20 The short lived outbreak of pneumonic plague on Surat in 1994 created panic not only in India but throughout the world This book suggests that the outbreak of the plague was in fact a symptom of a socio political disease related to the value system of the populace the lop sided nature of development the state of the public health system in India and a general crisis of governance **The Wall Street Journal** ,1985 *Historic Preservation* ,1980 **Prevailing Winds** ,1995 **Vanity Fair** ,2010 The Middle East, Abstracts and Index ,2006 **The New York Times Index** ,2007 Swiss review of world affairs ,1971 **The Spectator** ,1969 *Bookforum* ,2005 International Books in Print ,1990 Bell & Howell Newspaper Index to the New Orleans Times-picayune, the States-item ,1982 *Wall Street Journal Index* ,1992
