Principles for Business (PRIN)

Application, purpose, and consequences													
PRIN 1.1.1	The principles apply in whole or in part to every firm.												
PRIN 1.1.2	The principles are a general statement of the fundamental obligations of firms and the other persons to whom they apply under the regulatory system.												
PRIN 1.1.4	The principles express the main dimensions of the “fit and proper” standard set for firms in threshold condition.												
PRIN 1.1.7	Breaching a principle makes a firm or other person whom the principles apply liable to disciplinary sanctions. In the determining whether a principle has been breached it is necessary to look to the standard of conduct required by the principle in question. Under each of the principles the onus will be on the FCA to show that a firm or other person has been at fault in some way.
