English Language Teaching during Japan's Post-war Occupation Mayumi Ohara, John Buchanan, 2018-06-27 In 1945 Japan had to adjust very rapidly to sudden defeat to the arrival of the American Occupation and to the encounter with the English language together with a different outlook on many aspects of society and government This scholarly book is based on in depth interviews with people now aged who were school students at the time of the Occupation and who experienced first hand this immense cultural change The book considers the nature of the changing outlook including

democratization the new role for the Japanese Emperor and all this represented for the place of tradition in Japanese life and the growing emphasis on individualism away from collectivism It discusses the changing system of education itself including new structures and new textbooks and relates the feelings of the participants as they came to terms with defeat and the language and culture of the former enemy Overall the book provides a fascinating insight into a key period of Japanese history

The New Abnormal Aaron Kheriaty,2022-11-01 The coronavirus pandemic conferred enormous power on certain government officials They have no intention of giving it up In the space of a few weeks in early 2020 Americans witnessed the imposition of previously unimagined social controls by the biomedical security state the unelected technocrats who suddenly enjoyed nearly absolute power to incarcerate isolate and medicate the entire population In this chilling new book a dissident scientist reveals the people and organizations that form the biomedical security state its role in the origin of the pandemic and shaping the government response why it is a threat to science public health and individual freedom what can be done to confront and defeat this new Leviathan When covid 19 broke out Dr Aaron Kheriaty s work put him on the front lines Realizing that the mental physical and economic toll of lockdowns was catastrophic he began to protest that the cure was worse than the disease an intolerable heresy When he refused vaccination because he had natural immunity from a previous infection the University of California Irvine medical school fired him He fought back in the courts and in the media and has become a reliable source of truth amid official obfuscation and censorship Now it s time for all of us to fight back The deadly and arrogant misrule of the biomedical security state must not become the new normal
