**William Bloss McCourtie**

## **Studio Space:**

*Posthumanist and New Materialist Methodologies* Claudia Diaz-Diaz,Paulina Semenec,2020-03-13 This book features interviews with 19 scholars who do research with children in a variety of contexts It examines how these key scholars address research after the child by exploring the opportunities and challenges of drawing on posthumanist and materialist methodologies that unsettle humanist research practices The book reflects on how posthumanist and materialist approaches have informed research in relation to de centering the child re thinking methodological concepts of voice agency data analysis and representation It also explores what the future of research after the child might entail and offers suggestions to new and emerging scholars involved in research with children Reviewing how posthumanist and materialist approaches have informed authors thinking about children research and knowledge production the book will appeal to graduate students and emerging scholars in the field of childhood studies who wish to experiment with posthumanist methodologies and materialist approaches

**Stop Motion Filmmaking** Christopher Walsh,2019-02-21 Based on a world class curriculum and cutting edge industry practices Stop Motion Filmmaking offers step by step instruction in everything from puppet making and studio set up to animation and filmmaking Reflecting exciting advancements in the medium animator and educator Christopher Walsh focuses closely on digital filmmaking techniques and offers specific instruction for creating 3D designed and printed puppet components as well as hand crafted elements The book is enriched by exclusive online content in the form of detailed tutorials and examples and by dynamic sidebars and inserts Further accented by interviews with leading professionals from both the independent and major studio worlds Stop Motion Filmmaking is designed for dedicated students of the art form and provides invaluable training for any serious artist who is driven to bring frame by frame worlds to life through puppet animation

**Finland's National Theatre 1974-1991** Pirkko Koski,2022-03-22 This study analyses the Finnish National Theatre s activities throughout the decades during which the post war generation with its new societal and theatrical views was rising to power and during which Europe divided by the Iron Curtain was maturing to break the boundaries dividing it Pirkko Koski summarizes the activities of the Finnish National Theatre as a cultural factor and as a part of the Finnish theatre field during 1970s and 1980s Alongside this he examines the general requirements resources and structures for activity including artists places geographical position performances and the analysis on the societal conditions This book will be of great interest to scholars and students of European theatre and history

**Geography, Art, Research** Harriet Hawkins,2020-09-27 This book explores the intersection of geographical knowledge and artistic research in terms of both creative methods and practice based research In doing so it brings together geography s creative turn with the art world s research turn Based on a decade and a half of ethnographic stories of working at the intersection of creative arts practices and geographical research this book offers a much needed critical account of these forms of knowledge production Adopting a geohumanities approach to investigating how these forms of knowledge are produced consumed and circulated it queries

what imaginaries and practices of the key sites of knowledge making including the field the artist's studio the PhD thesis and the exhibition emerge and how these might challenge existing understandings of these locations Inspired by the geographies of science and knowledge art history and theory and accounts of working within and beyond disciplines this book seeks to understand the geographies of research at the intersection of geography and creative arts practices how these geographies challenge existing understandings of these disciplines and practices and what they might contribute to our wider discussions of working beyond disciplines including through artistic research This book offers a timely contribution to the emerging fields of artistic research and geohumanities and will appeal to undergraduate and postgraduate students and researchers
